The end of an era . . . of tradition

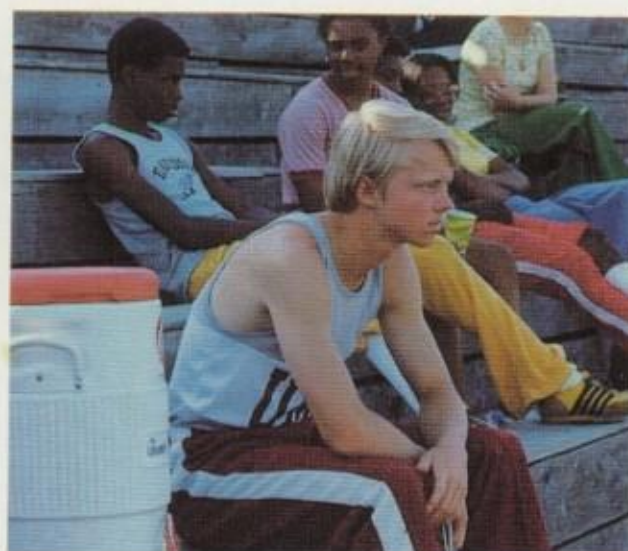

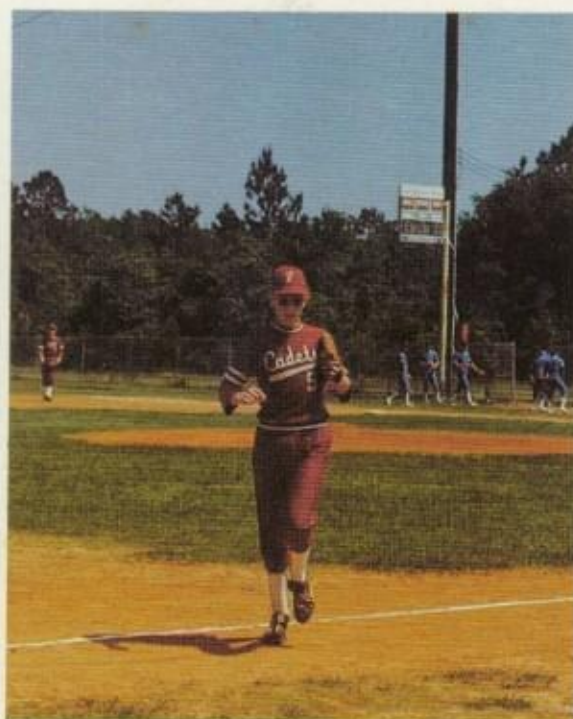

84 years, which have meant many things
to many people.

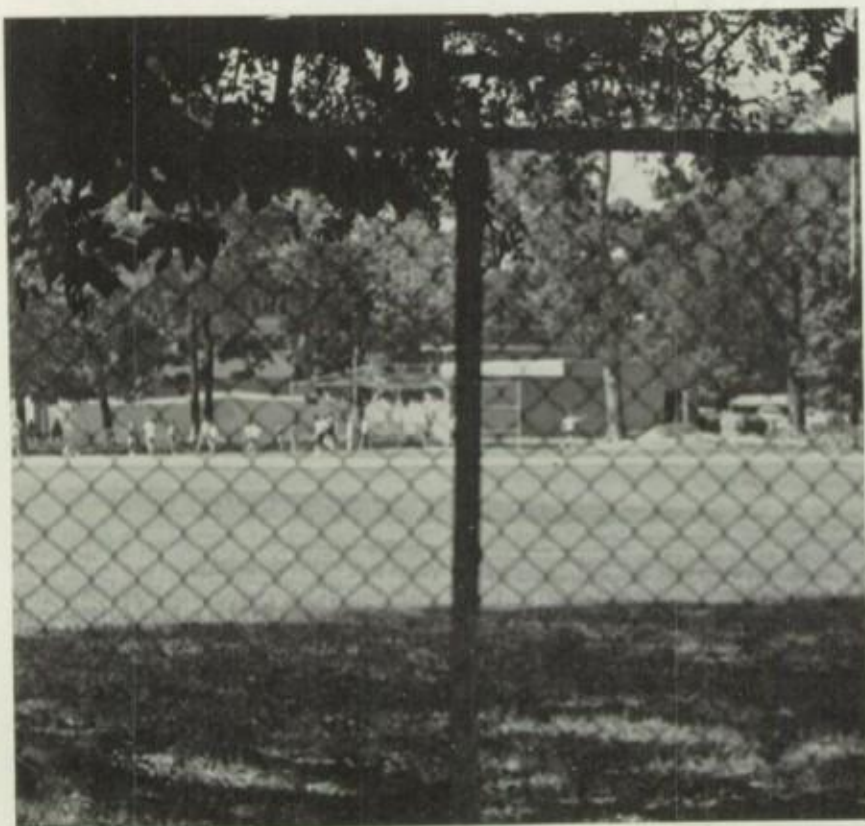

To the student . . .

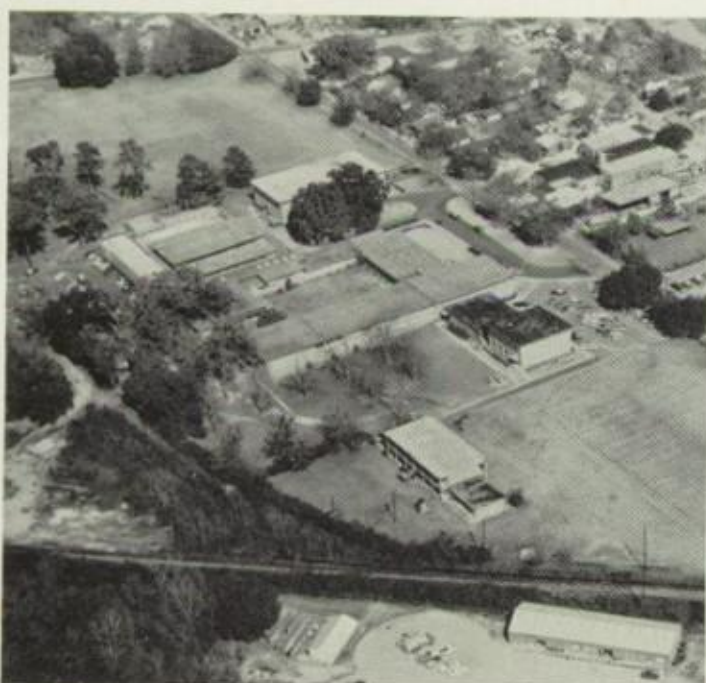

To the athlete . . .

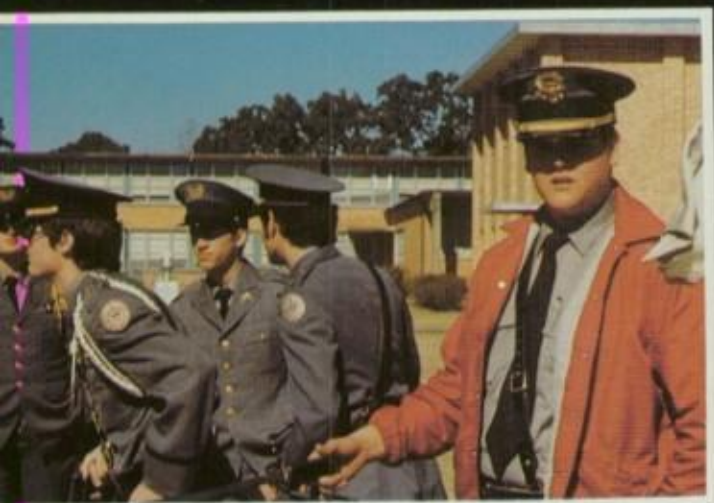

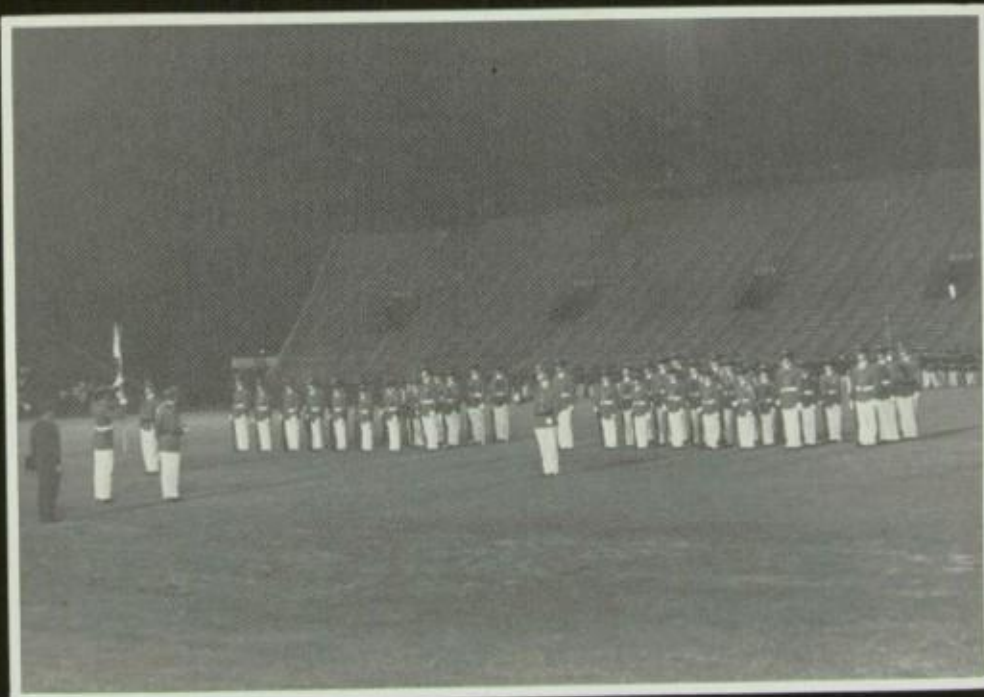

University Military School has meant these things . . .

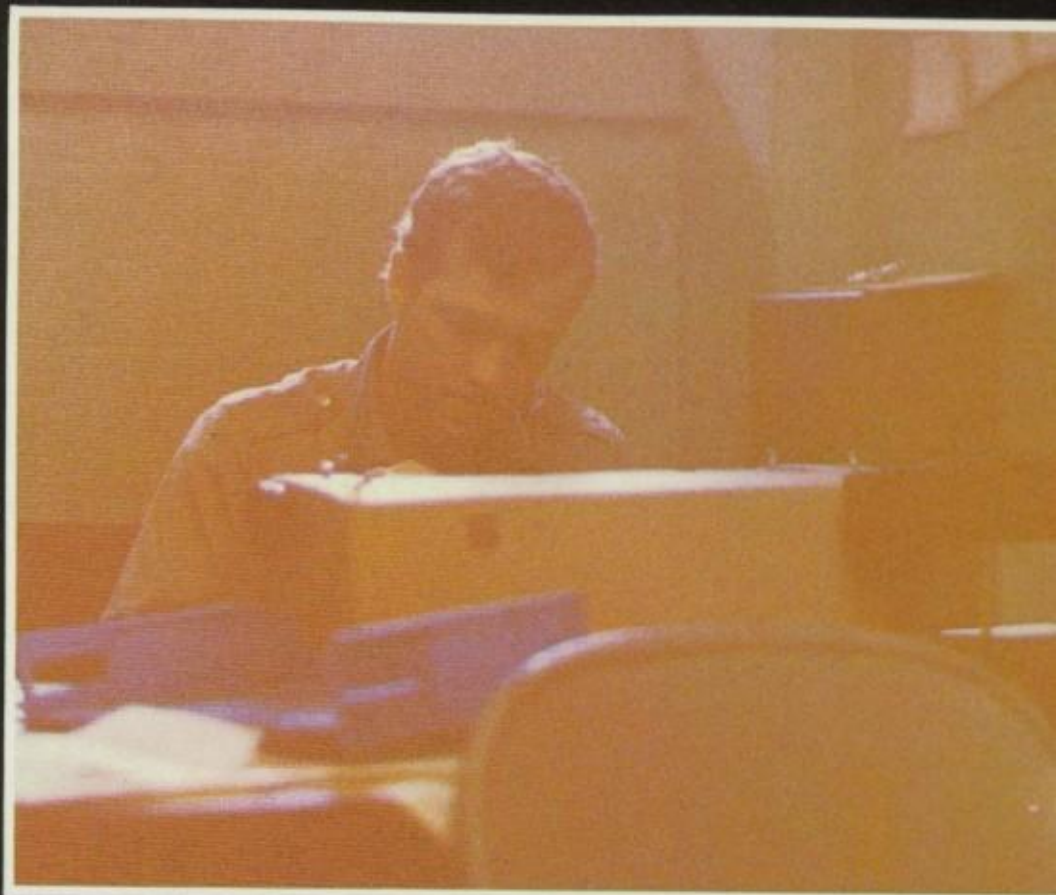

But above all . . .

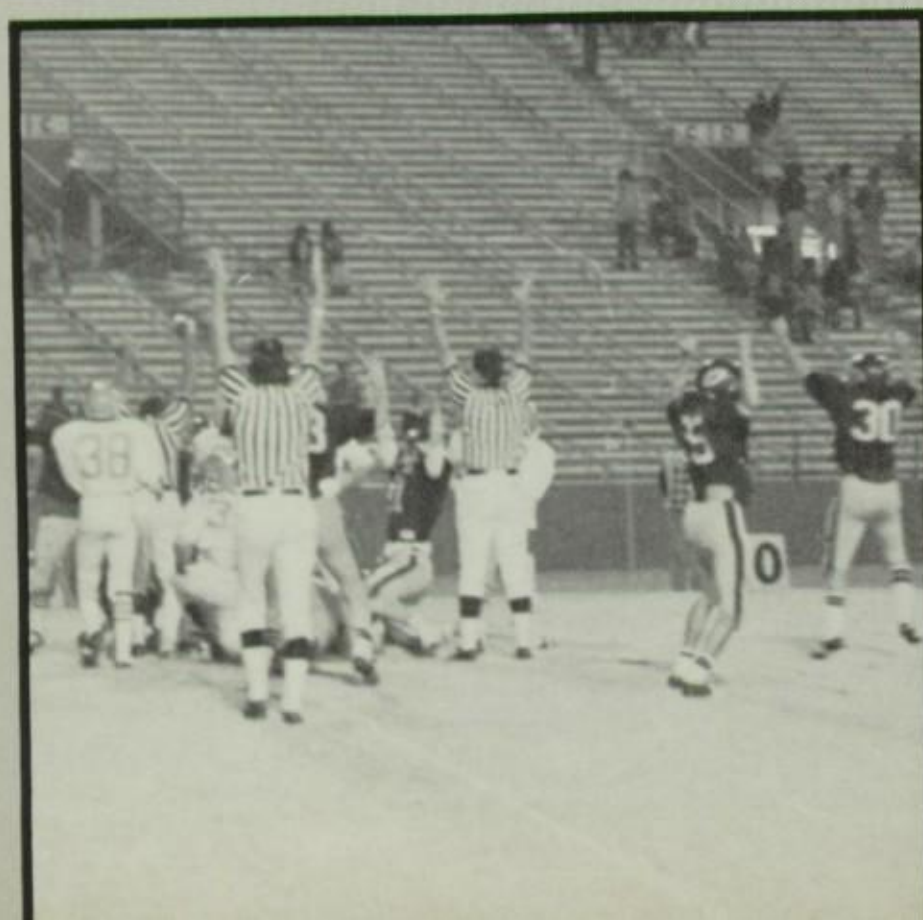

It has been a molder of leaders . . .

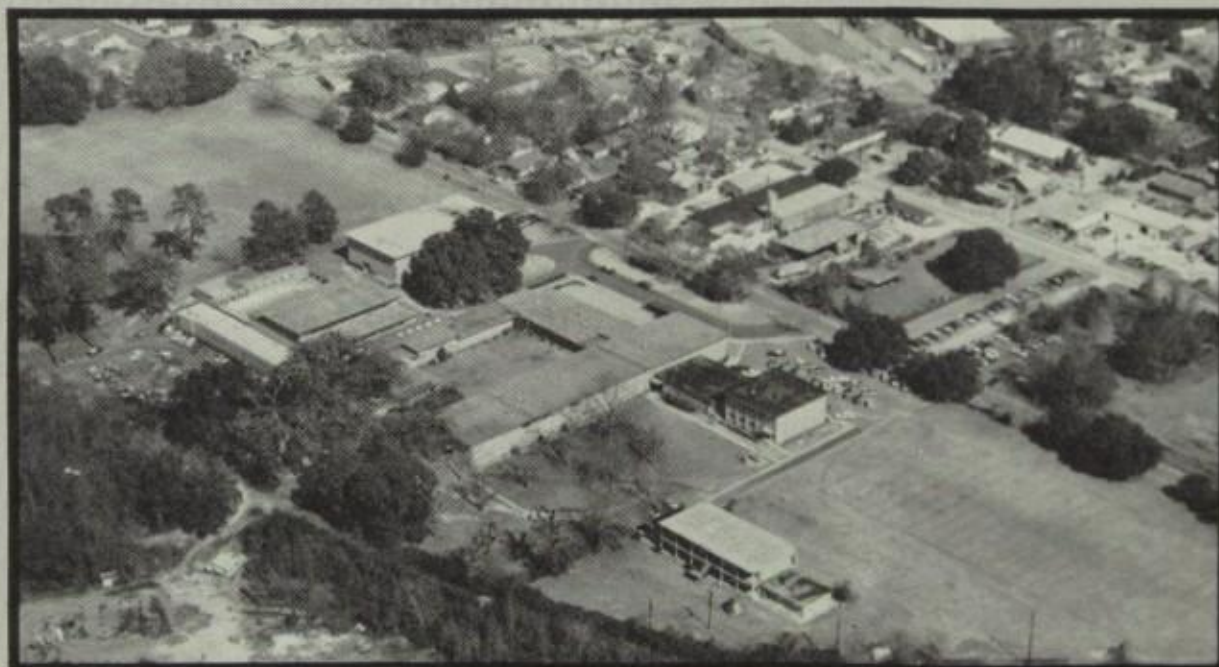

Making them strong in mind . . .

Strong in body . . .

and strong in spirit.

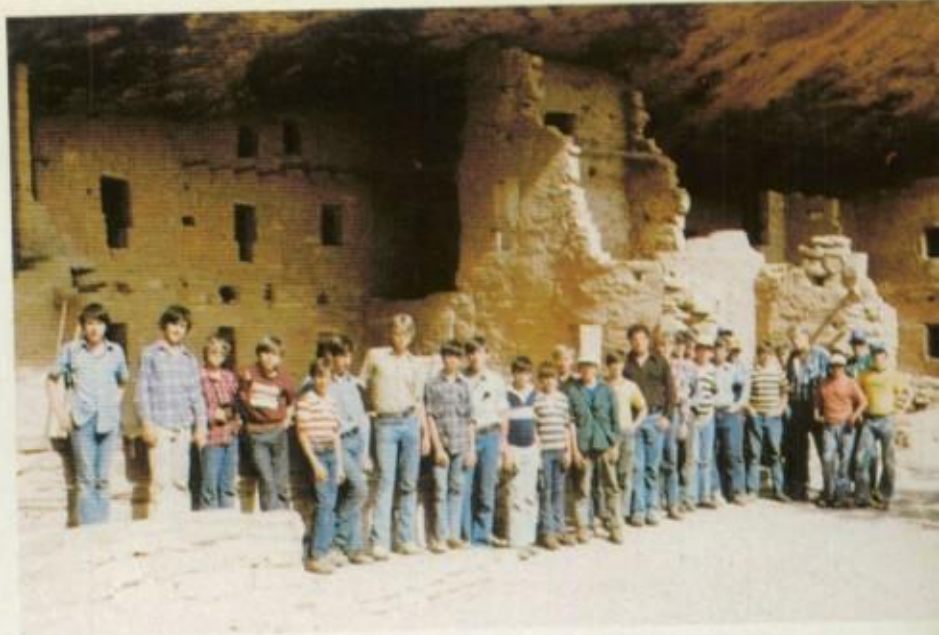

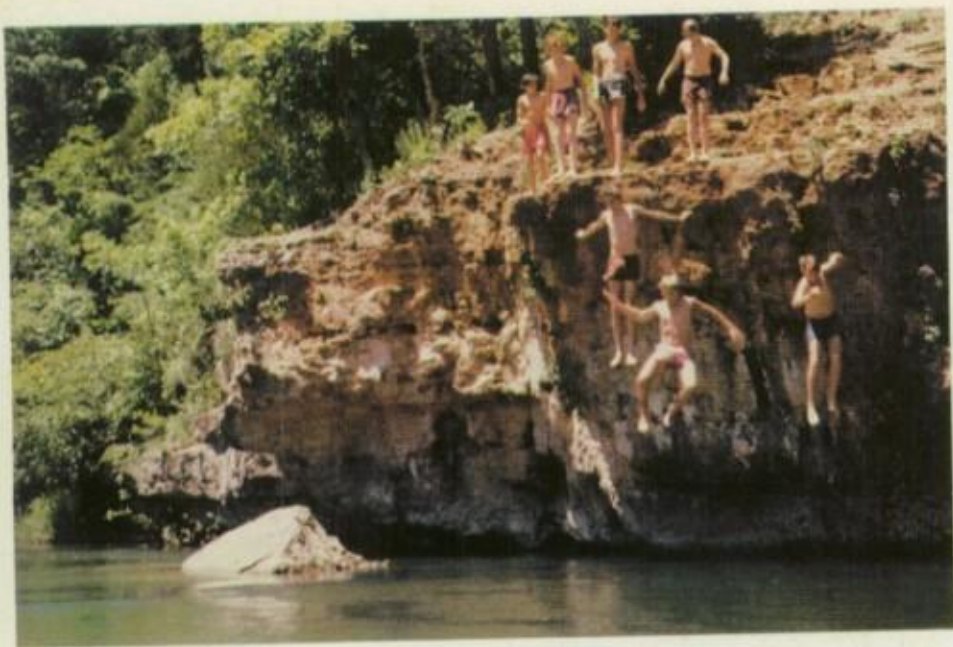

ACTIVITIES

1976-77 marked the end of era for UMS as the military program was discontinued. Many activities such as Homecoming, the Commencement Hop, and Commencement Drill will also be discontinued. However, many new activities will be added to replace them. But, those traditions and activities of the military are gone.

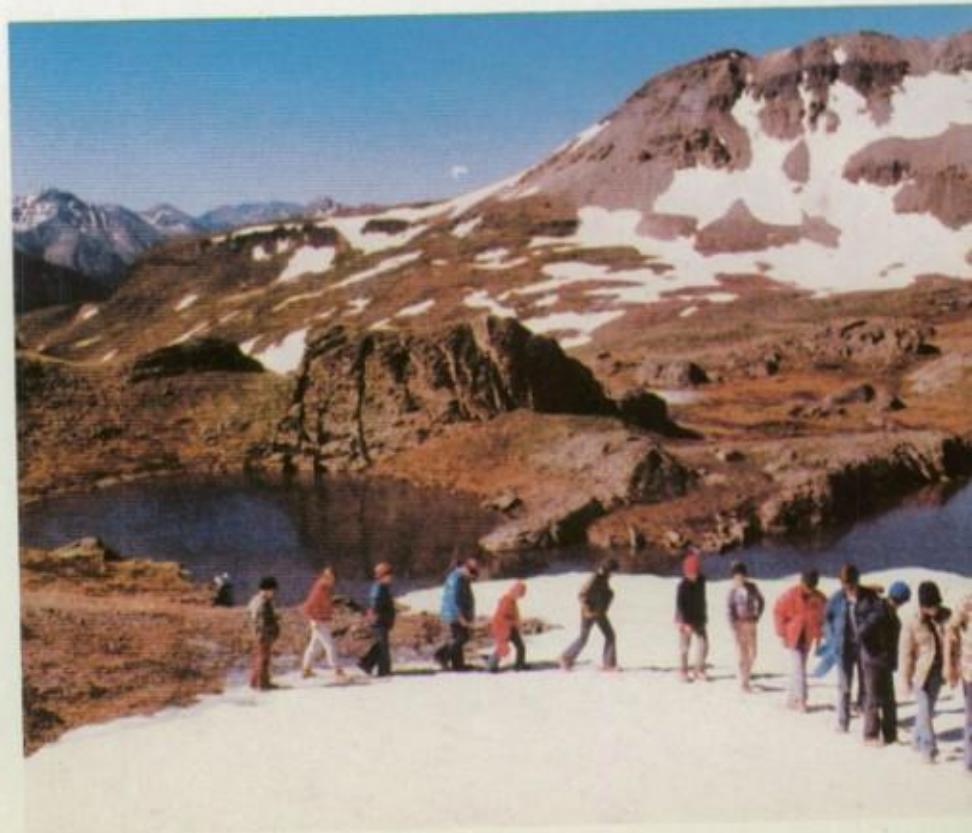

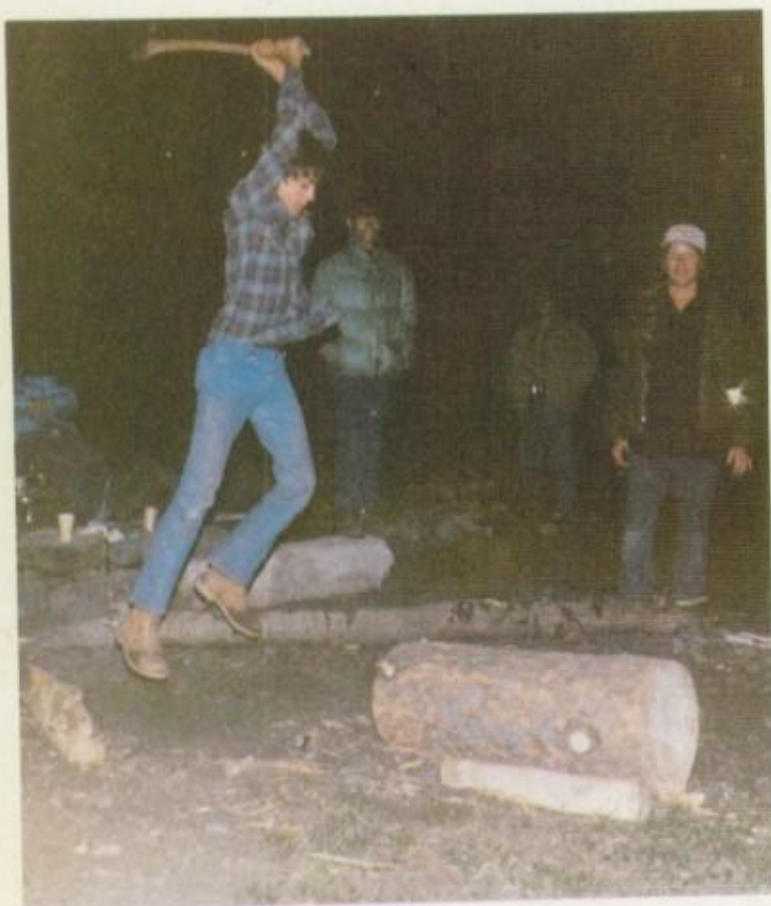

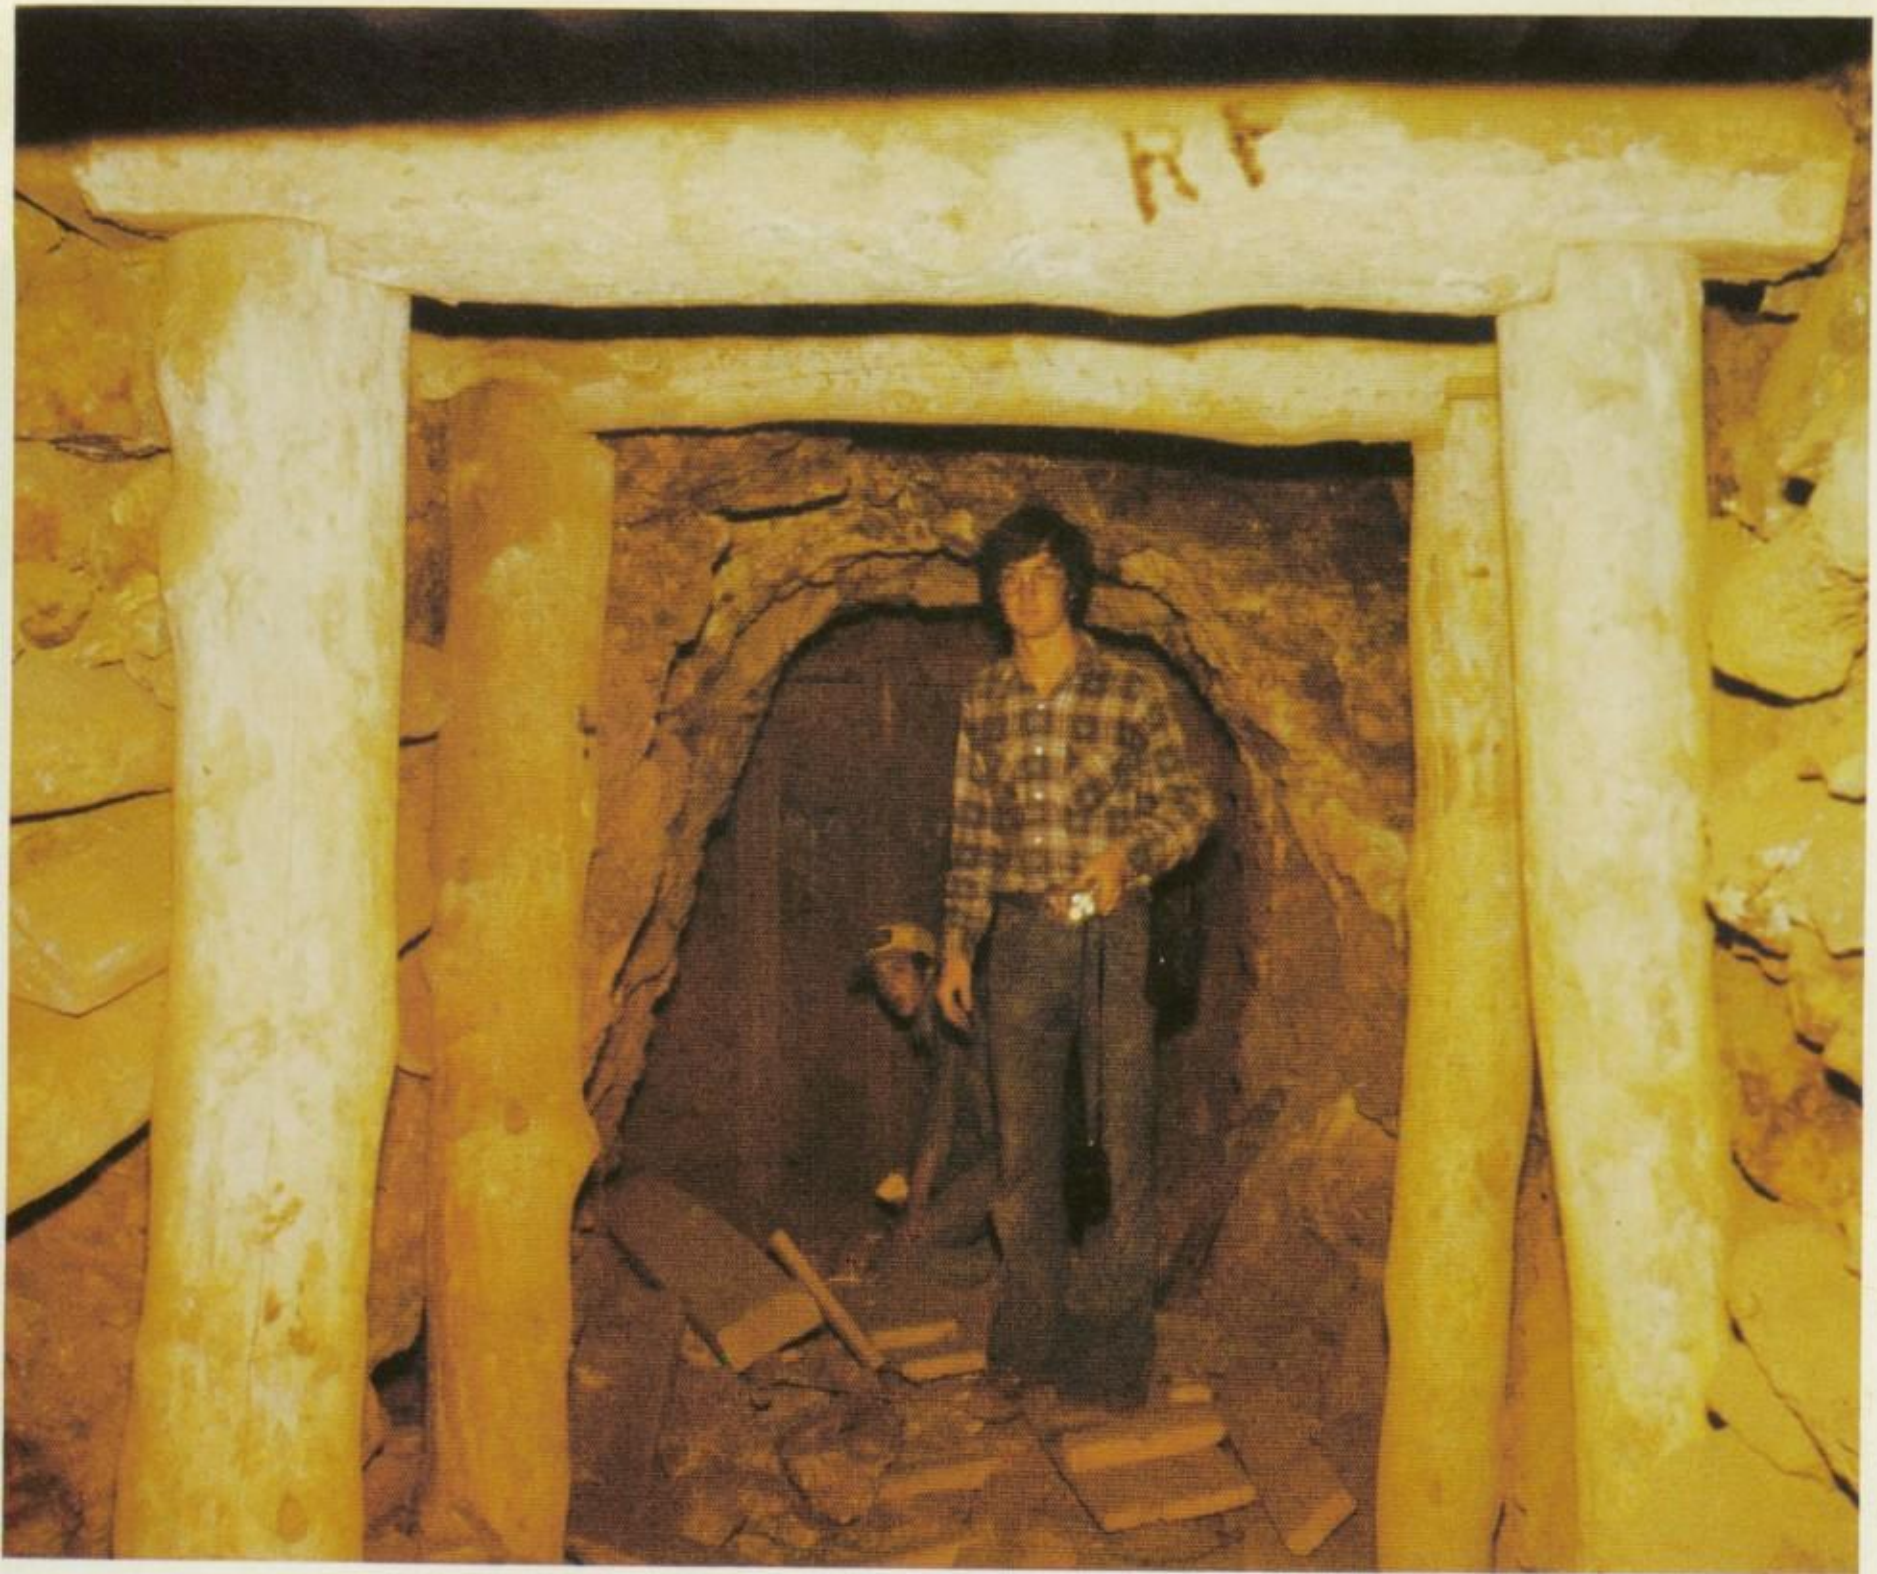

THE END OF AN ERA...

The Wilderness Ecology Trip To Colorado

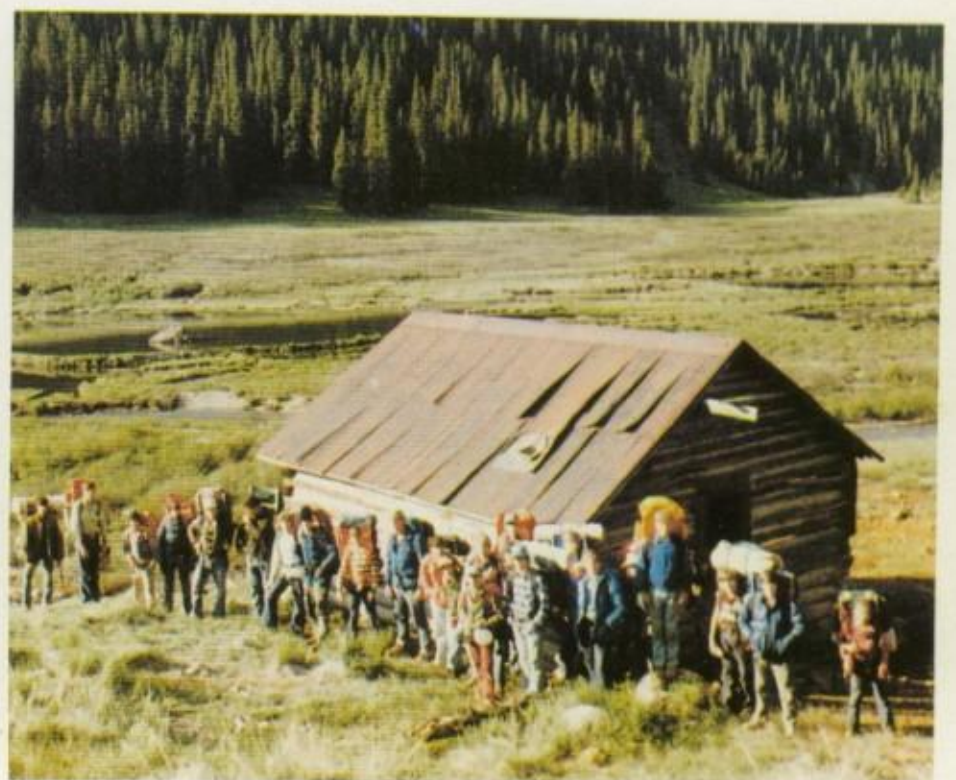

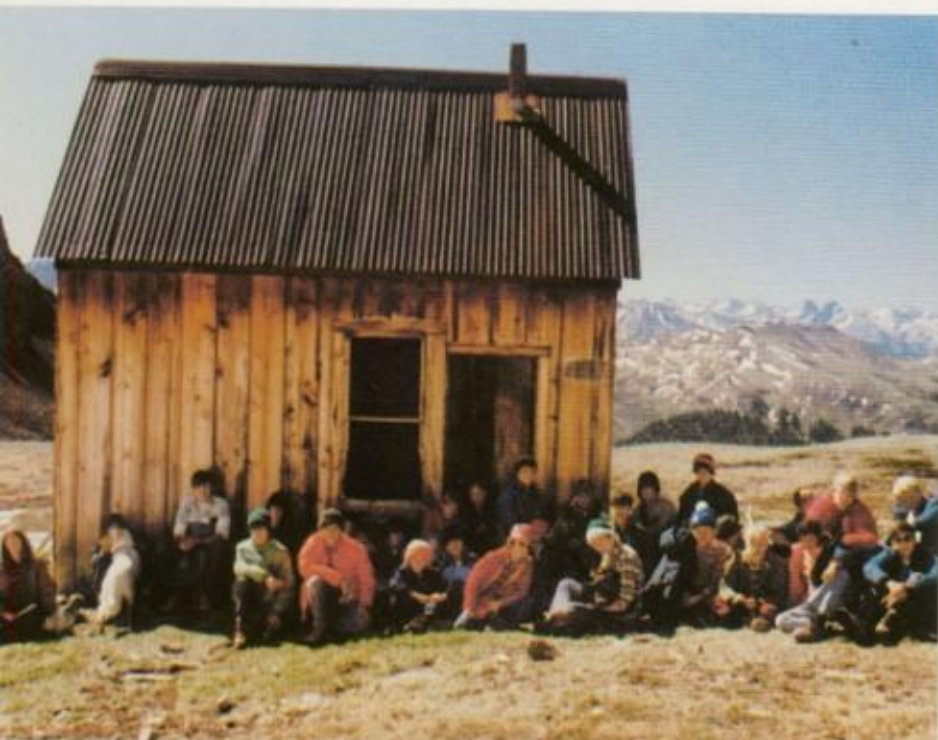

The Wilderness Ecology Trip was again a big success. Mr. Ted Prices' Colorado camping and hiking trip stayed in the wilderness for three weeks. It was lauded by all as a once in a lifetime experience.

Youth Appreciation Week

We regret that we could not have any pictures of the Youth Appreciation Week activities except for the one of Danz Heggeman, which was provided for us by the U.S. Corps of Engineers office here in Mobile.

During Youth Appreciation Week, students from different schools in Mobile fill important jobs in the city for one day to see how a particular job is done. Some of the other jobs were: Tax Collector, District Engineer, Sheriff, and City Clerk.

Karate exhibition brightens guidance

Guidance continued to be an interesting experience again this year with the appearance of very interesting people. Some of the popular programs were a Karate exhibition, a NASA demonstration, a Drama presentation, an Opera singer, and the Band.

A NASA representative gives a demonstration of modern technology.

Opera, Karate, NASA, Senior Faculty Game, Band, and Drama, are all part of Guidance, 1976-'77.

Last military homecoming — A time to

The 1977 Homecoming parade and reception was held on November 5 with a rather large crowd of patrons and visitors in attendance. The festivities began with the presentation of the sponsors. The sponsors for 1977 were: Jess Baumhauer, brigade, escorted by C/Col. Jim Bryant, Ryan Demeranville, 1st Battalion, escorted by C/Major Tom Ruzic, Elizabeth Murray, 2nd Battalion, escorted by Danz Heggeman, Deborah Hill, Primary Battalion, escorted by C/Major Victor McLaughlin, Katarina Wilson, Band, escorted by C/Major Martin McMillan, Donna Dameron, "A" Company — C/Capt. David Otterbach, Audrey Kearns, "8" Company — C/Capt. Jack Phillips, Julie Tucker, "C" Company — C/Capt. John Swan, Julie Hall, "D" Company — C/Capt. Charlie Mostellar, Nedra Stimpson, "E" Company — C/Capt. George Irvine, Trent McGuire, "F" Company — C/Capt. Jeff Milstead, Gayla Graham, "G" Company, C/Capt. Gary Jordan, Cheryl Cleveland, "H" Company — C/Capt. David Gross, Gay Outlaw, "I" Company — C/Capt. Riley Trehern, Susan Morgan, "L" Company — C/Capt. Glen McIntosh, Mary Strickland, "M" Company — C/Capt. John Estes.

After the presentation, the Crack Platoon put on an exhibition of fancy rifle drill. The Crack Platoon drill was followed by the formal parade. Refreshments were served to visitors and patrons around the pool. The Chorus put on a very fine performance in the auditorium afterwards. At this time, the board of trustees made a presentation to Ben Harris, Sr. former chairman of the board. The sponsors were presented again at the UMS vs. McGill football game at Ladd Stadium.

Chorus and Speech Class conduct programs

Under the direction of Mrs. Holmes and Captain Newell, the Speech Classes and the Chorus put on both the Thanksgiving and Christmas programs this year. The Student Body had a special treat at Christmas when Col. Wood, Capt. Price, Major Price, and Capt. Newell sang a few songs together.

Classical films draw interest

Greg Smith prepares to show a film.

This year, a classical film series was offered to students and patrons of UMS for Sunday afternoon enjoyment. Each week a different film would be shown in the auditorium. The projection crew was in charge of showing the films while members of the faculty were in charge of admittance and order. The idea was well received and will probably return next year.

“End of era” is theme for last military hop

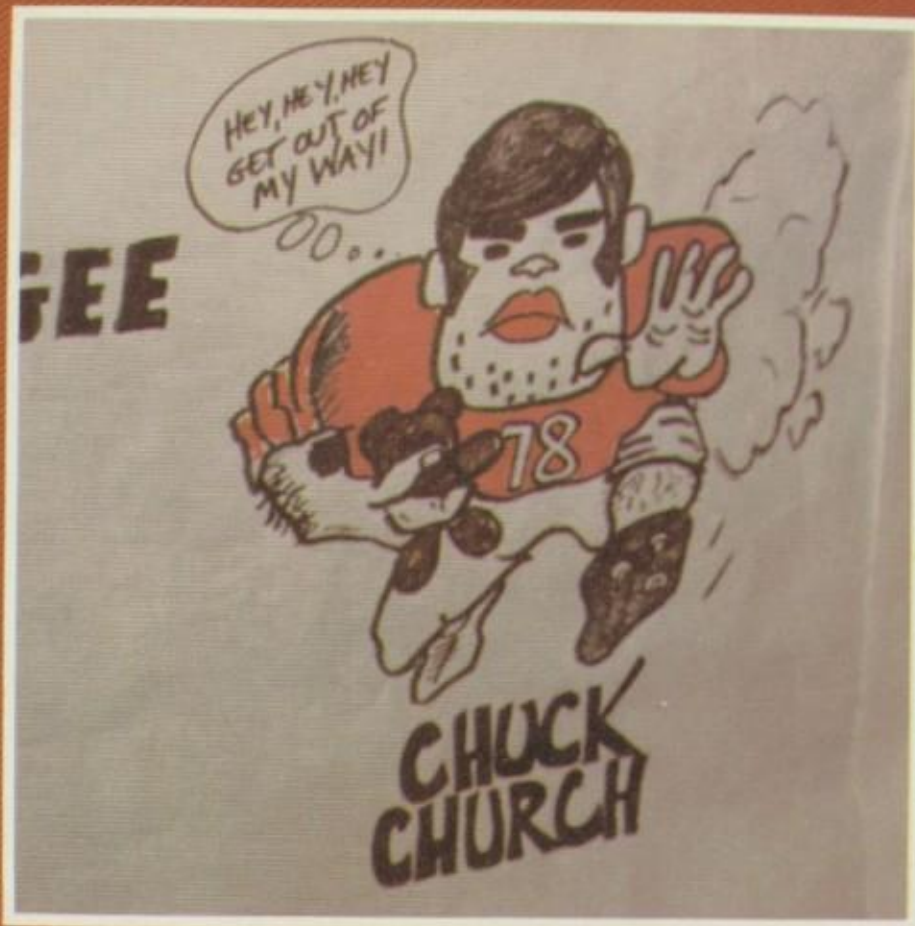

“End of an Era” was the theme of the last military hop at UMS. The dance was very successful with most of the seniors’ parents in attendance. Springhill Armory was the scene for the affair on March 24, 1977. Under the direction of Brooks Barlow, senior class president, the hop committee was able to book the well known rock group — ELI. The band did a fantastic job of providing music and were very well liked by all, including most of the parents. Mrs. Barlow, took charge of the decorations and refreshments. One of the highlights of the decorations were the amusing characteratures that were done by the combined efforts of several people. These drawings covered the walls that were on either side of the beautiful archway that the seniors and their dates walked through for the callouts. As usual the first dance was reserved for the seniors and their mothers. The Seniors would like express their thanks to M & A studios for the pictures and to Maxey’s formalwear.

The set was decorated beautifully for the callouts.

The seniors and their mothers both enjoyed themselves at the HOP.

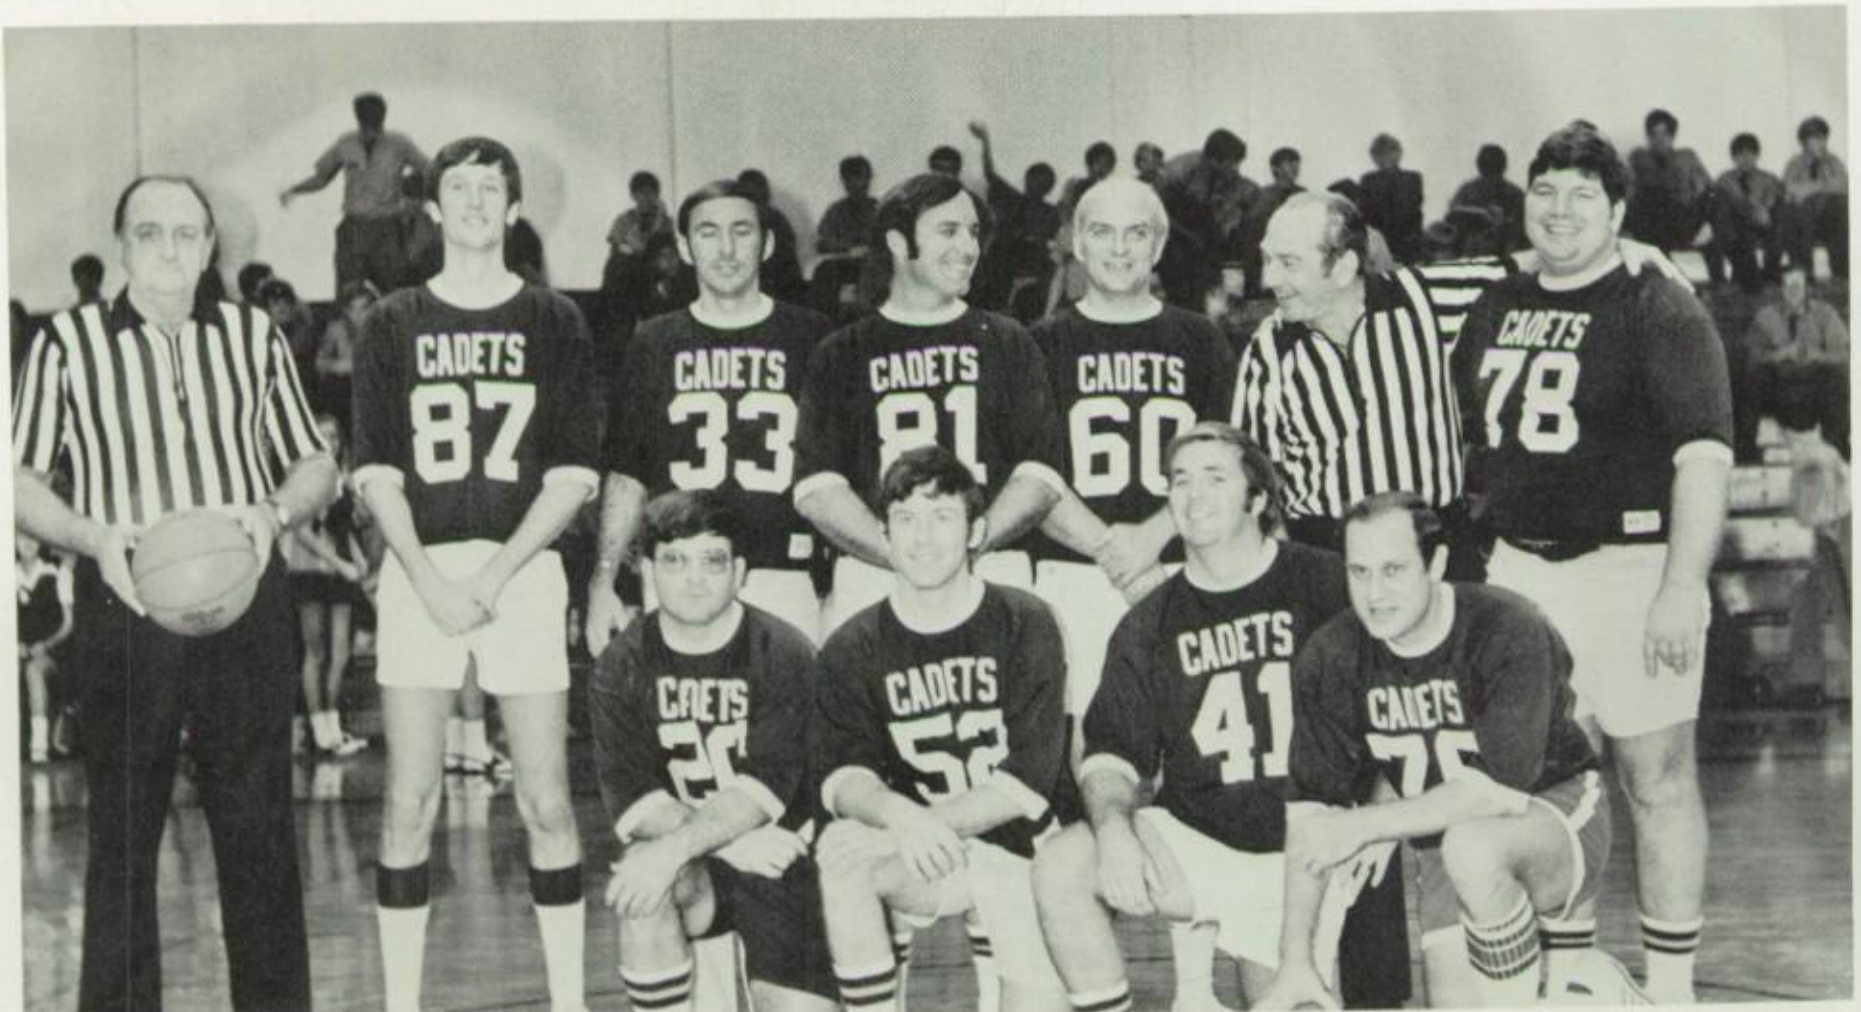

Seniors beat faculty 32-30

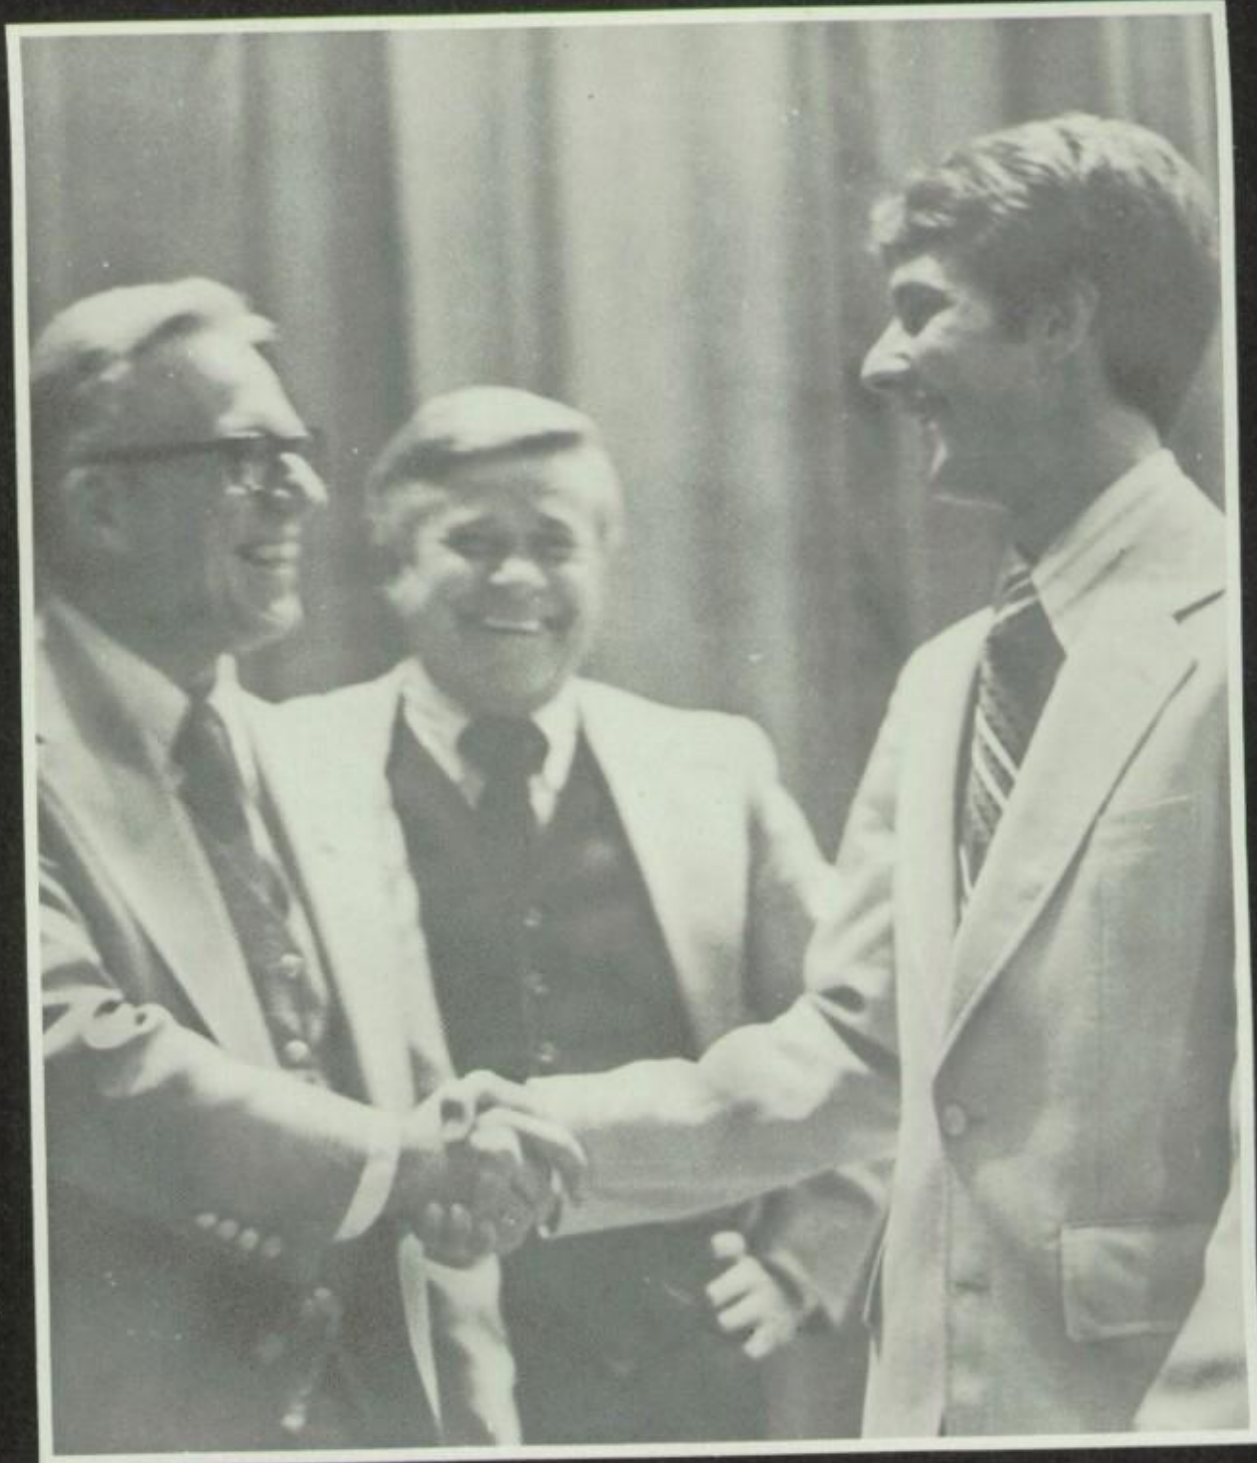

Once again, the seniors defeated the faculty in the annual Senior-Faculty Basketball Game. The Seniors skimmed by this year by a score of 32-30. The game was held on the last guidance before the Christmas holidays. The seniors had put a lot into practice and into the costumes of the team and coaches, and it all paid off with the win.

Mr. Harris Remley speaks at father-son banquet

Mr. Harris Remley of the Seaboard Coast Line Railroad, spoke at UMS for the second time, by speaking at the annual Father-Son banquet held in May, 1977. Mr. Remley spoke once before at a guidance program for the entire student body. At the Father-Son banquet, he spoke on citizenship in the nation and how great the United States really is as compared to other countries in the world.

Jr. High School has their own Soc-Hop

The Student Council of the seventh and eighth grades held the first Junior High School Soc-Hop, this year. Many seventh and eighth graders and their dates were in attendance at the dance this past fall. Everything went off real well and more hops are expected to be held in the future.

Hall and Hogan seem to be enjoying themselves at the Hop.

Undertow, Wind, and Rain almost

Once again, the Junior and Senior classes took off from a day of school and traveled to the home of Frank Leatherbury on Dauphin Island for a day in the sun and sand. However, this year, when the busses rolled onto the island, the blue and red warning lights were flashing indicating dangerous undertow and surf, which looked like it may have put a damper on the day. But, after a while, the sun began to shine brightly and the surf died down somewhat, and the party started. Once again, however, something got in the way. At this particular time in the Spring, the bridge on the island was under repair, and the youths had to leave the place before the bridge closed for the day.

The Business Manager and Editor don't look too happy about the weather.

The food provided by the Juniors was very good, which helped matters. (UPPER LEFT) Not many people dared the surf at the start because of the danger. (ABOVE) (LEFT) ?????

David Otterbach wins Mostellar Award

The annual field day activities were held on May 7 this year at the usual spot, UMS. The picnic went off real well this year with the seniors selling drinks again to help pay for their Hop. Numerous events were held, and at the end of the competition, a first, second, and third place winner was found in each event. At the awards presentation, David Otterbach, Commander of A Company was Awarded the Mostellar Award for the most points accumulated on Field Day by an individual Company in the Brigade.

Record crowd attends last Commencement

The last Commencement Drill was held on May 13th at Ladd Stadium. The first event was the final platoon competition between the 1st platoons of "B" and "F" Company, commanded by Cadet 1st Lt. Bubba Baker and Cadet 1st Lt. Frank Rouse respectively. "F" Company 1st Platoon won. The final company competition was between "B" Company, commanded by Cadet/Cpt. Jack Phillips, and "F" Company commanded by Cadet/Cpt. Jeff Milstead. "B" Company was judged the winner for its fine exhibition.

Individual competition was won by Howard Wilson, "F" Company. The best drilled cadets in each company were: "A" Company — Kevin Hollis; "B" Company — Kenny Wear; "C" Company — Mike Davies; "D" Company — Robert Pierce; "E" Company — Cliff Colley; "F" Company — Howard Wilson. Robbie Harrison received the Thoss Athletic Award. The Most Valuable Senior in the Brigade award was given to Cadet/Cpt. Jack Phillips. Company "B" won the squad competition, commanded by Barry Prine. "H" Company of the Primary Battalion won the primary competition with a special performance, commanded by Cadet/Cpt. David Gross. President of Mobile College gives

The 84th annual Baccalaureate services were held on May 29, 1977 in the David Dunlap Chapel-Auditorium. Dr. William Weaver, President of Mobile College, gave the address to the Seniors. A rather large crowd was in attendance, composed of mostly relatives, friends, and students. The Cadet Chorus did a superb job of singing at the service.

Dr. Kent Wyatt gives graduation address

Doctor Kent Wyatt, president of Delta State University, Cleveland Mississippi, addressed the seniors on June 1, 1977 at graduation exercises. This year marked the eighty-fourth annual commencement exercises. The Salutatory address was given by Cadet Major Max Victor McLaughlin, Jr. and the Valedictory address was given by Cadet Major Samuel Martin McMillan, Jr. After the graduation and the awarding of the academic achievement awards, the seniors filed out to the flagpole for the final retiring of the colors.

UMS and Wright's choruses combine for Christmas

For the first time in recent years, the choruses of UMS and Julius T. Wright, combined for a Christmas concert at Wright's. The setting was rather casual on the stage but was well received by the many viewers and listeners. The choruses sang both songs individually and together. A solo was done by Jody Powell.

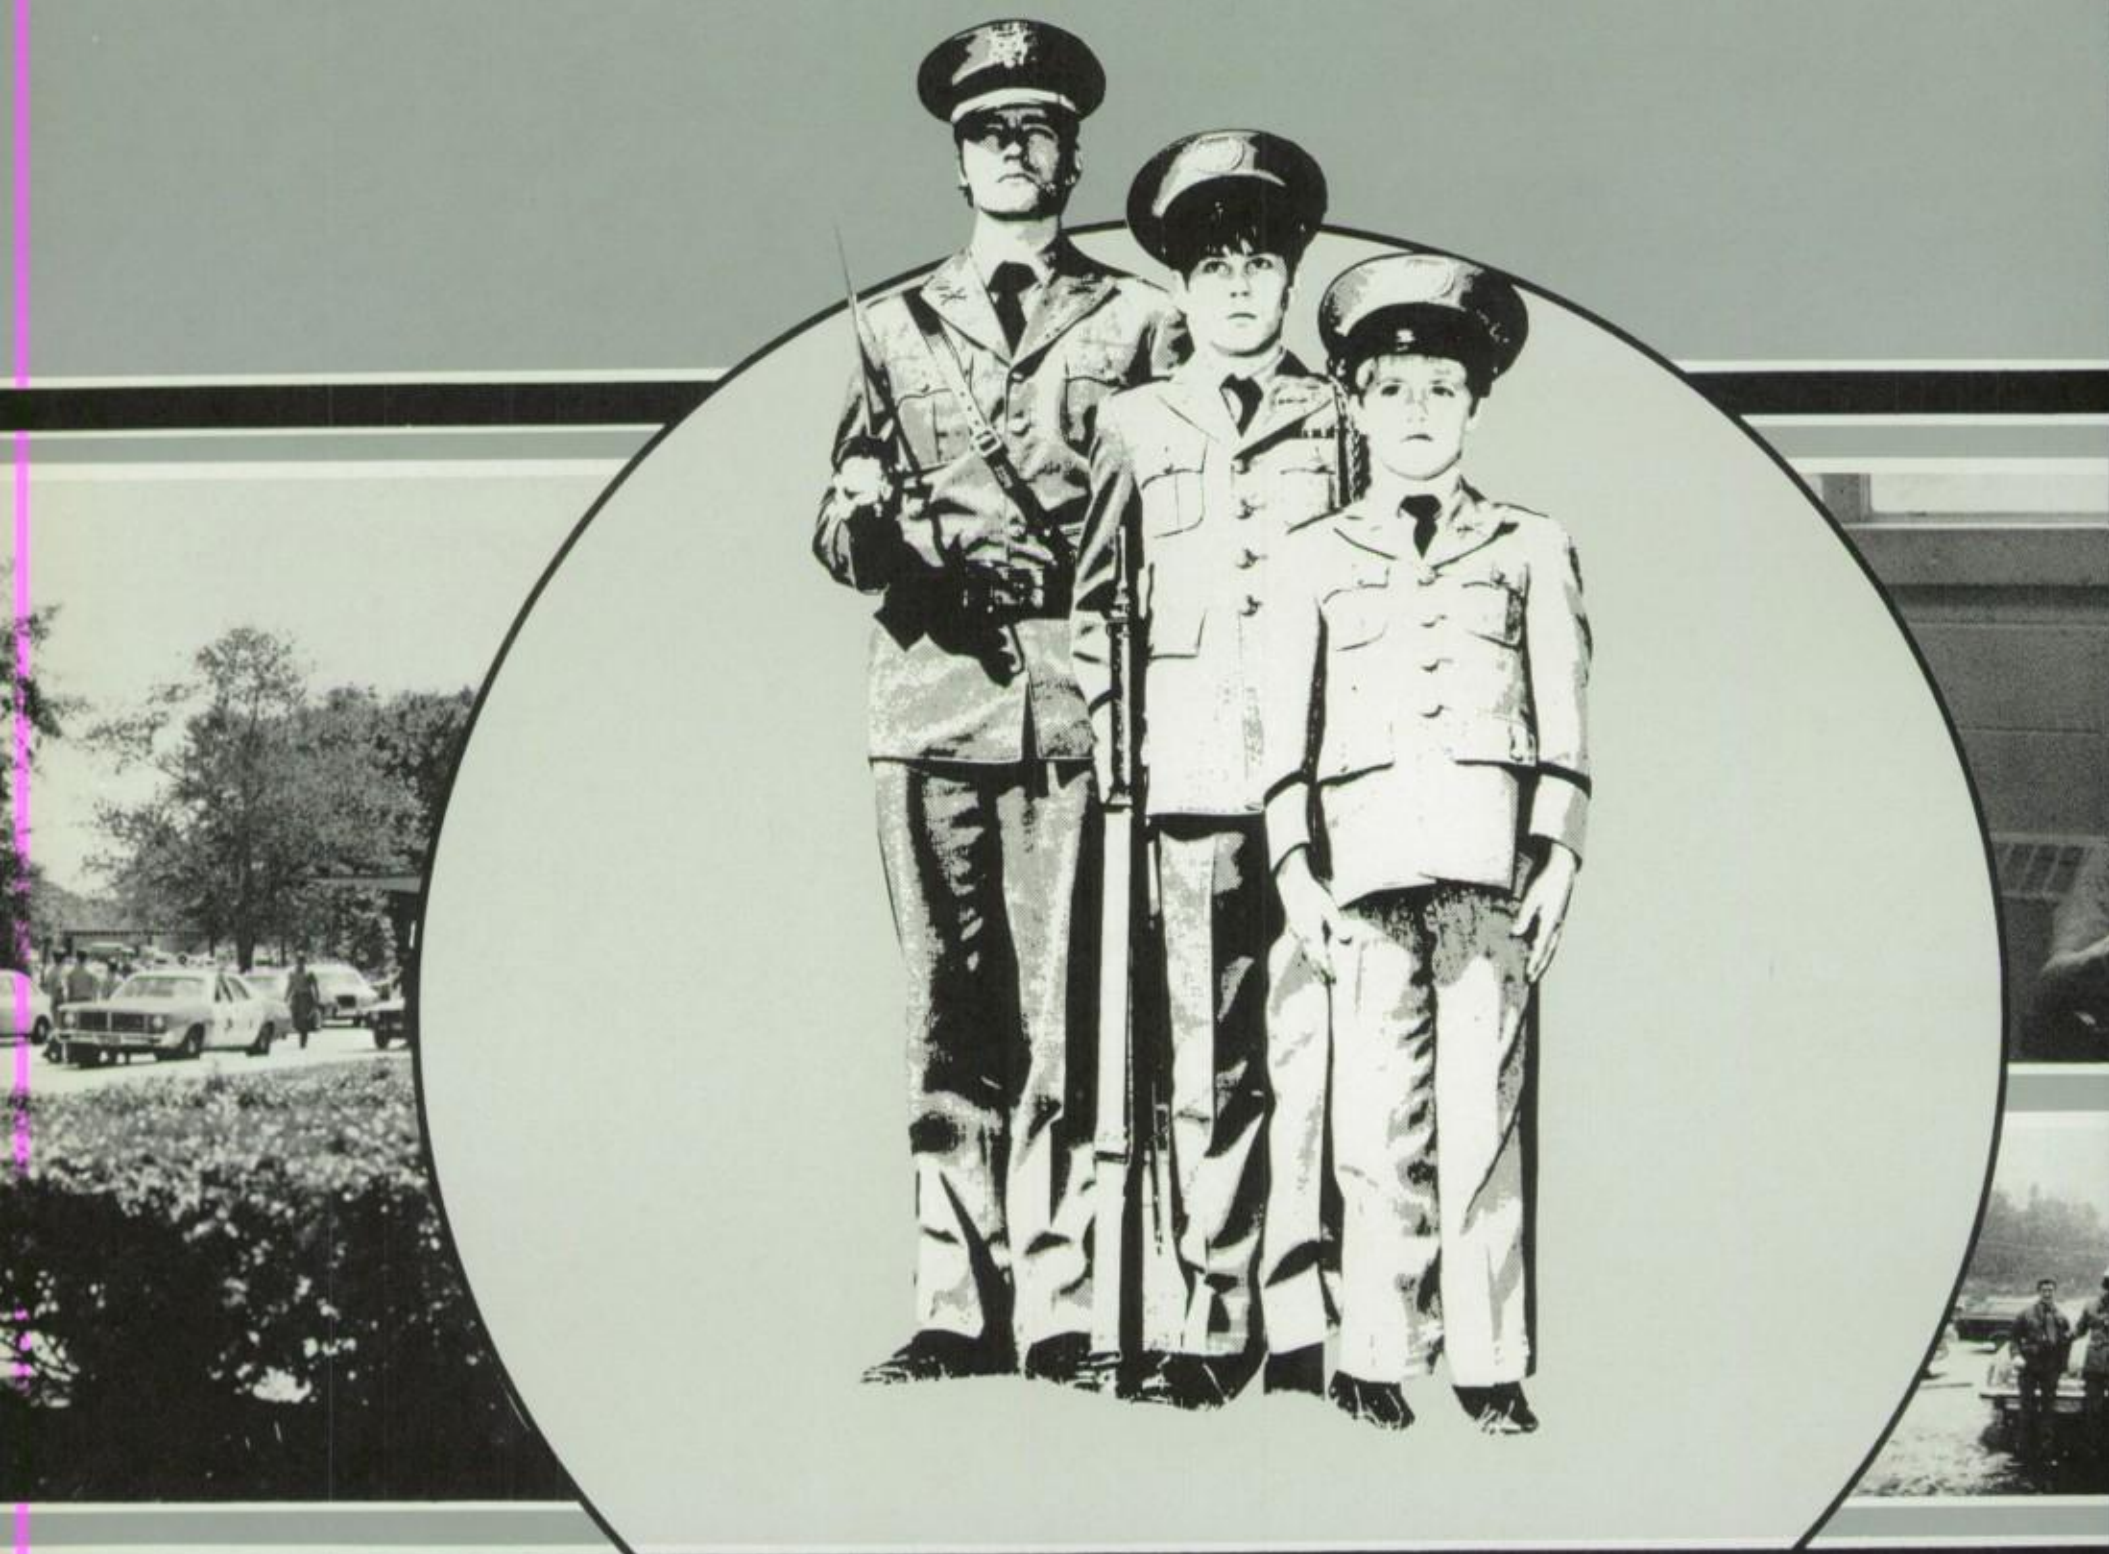

Rickey Purvis and Martin McMillan did the accompaniment.

CLUBS & ORGANIZATIONS

The end of the military at UMS will not affect on Clubs and Organizations other than the absence of military uniforms. Next year however, instead of drill, activity periods have been added to give clubs time to work and meet.

Honor Council improves honesty

'77 Officers: Jeff Milstead, Sgt. at Arms; Frank Rouse, V. Pres.; Danz Heggeman, President; John Swan, Secretary; Bill Inge, Sgt. At Arms.

'77 Representatives: (LEFT TO RIGHT), Wilson, O.L., Cadden, R.M., Sikes, H.S., Freeman, D.A., Bridges, T.G., Terry, B.H., White, J.L., Shearer, T.M. Naman, E.G.

This year's Honor Council followed the tradition of upholding the principles of uncompromising honesty on the campus of UMS. The Honor Council started the year with the customary presentation of the first guidance program in September. This year's program consisted of a short explanation of the Honor Code and pledge cards by Danz Heggeman, president. This was followed by a speech concerning the student's obligations toward the Honor System from Col. Wood. After the program, all of the students in the upper school signed their pledge cards pledging their support to the Honor System. The remainder of the year, the council worked in conjunction with the faculty to preserve an atmosphere of trust and integrity among the student body.

1976-1977 "Cadet" — biggest book ever!

The 1977 "Cadet" Staff has worked VERY hard in the production of this year's book with the raising of \$7,000 during the first semester. This is the most ever raised by a staff at UMS, and in fact, local yearbook representatives claim that this is the most ever raised by the high school yearbook staff. This year's staff has also been one of the biggest due to the complexity and size of the book. Many hours were spent after school and on weekends and in fact, several nights were actually spent in the yearbook working on the book. Under the supervision of Major Treutel, the "Cadet" has actually been on time for the first time in recent years, and we certainly hope everyone enjoys it.

"W" Club — larger than recent years

The "W" Club is an organization composed of outstanding athletes from every competitive sport at University Military School. The sports that are represented in the "W" Club are: football, basketball, baseball, track, golf, tennis, soccer, and swimming. Outstanding managers of the various teams also help to compose the membership of the "W" Club. This year's "W" Club was one of the largest "W" Clubs U.M.S. had ever seen. We are deeply indebted to these well deserving athletes and they, only, know of the honor of wearing a letter.

Key Club continues outstanding service

The '76-'77 Key Club this year continued its record with outstanding service to the school and community. Under the dedicated leadership of its senior officers and advisors, this year's Key Club finished with more manhours and a greater profit than any other Key Club in recent years. These profits were designated toward the purchase of a new popcorn machine for the basketball concession stand that the Key Club runs during basketball season. The Key Club also succeeded in its effort of providing the students with the opportunity to buy and sell used books at the annual Key Club Book Exchange.

The student council this year has been very active. They started out the year by supporting the football team with busses to nearly every away game, and by selling booster ribbons and spirit buttons. Their next activity was the United Fund Drive, in which they raised \$2300.00. In November, the student council put on a Homecoming dance. The band this year was David and the Giants, and many of the students felt that this was the best homecoming dance ever. During the spring, the student Council responded to the Red Cross once again, by sponsoring another blood drive. April 22 was the highlight and the final activity of the year for the student council, the father-son banquet. The speaker this year was Mr. Harris Remley of the S.C.L., L & N Railroad, who delivered a very inspiring address.

The Battalion Review Staff worked very hard this year to produce six excellent newspapers. In fact, they won an award for the best comics this year by the Spring Hill College Journalism Department. The Cartoon featured Colonel Hinson and Colonel Wood discussing the appearance of a Volkswagen in the front foyer one morning. The Caption read: "Maybe it walked in." Under the guidance of Major Powell, the staff did everything except the printing for the Battalion Review. Tom Ruzic was the editor this year and in fact was co-editor in 1975-76, so he had plenty of experience in newspapers as one can read in any of his fine editorials. This year, instead of just "writing" a paper, the staff did a lot of learning along the way such as layout, balance, photography, graphics, artwork, and of course typing.

Bobby McKinney speaks at F.C.A. meeting

Under the capable leadership of Coach Steve Kitrell, the Fellowship of Christian Athletes was a very enjoyable success this year. The goal of the FCA is to help its participants achieve a better relationship with God and with other men. We feel this goal was accomplished as on the third Thursday of every month a different person volunteered and spoke on various ways to achieve this goal. One of the highlights of the year was when Bobby McKinney former Alabama football star spoke at one of the meetings. We hope the success of and the participation in the FCA this year will continue on in the years to come.

J.E.T.S. visit Scott and ADDSCO

The Junior Engineering and Technological Society, under the dedicated supervision of Maj. Price, had an outstanding year this year. The J.E.T.S., in order to better acquaint the students with the prospective field of engineering, had two field trips and two guest speakers come to the school. The two field trips, to Scott Paper Co. and Alabama Dry Dock and Shipbuilding Co. (ADDSCO), were excellent in the field of mechanical engineering.

The chorus performed at Homecoming, Christmas, WALA-TV, and Oakleigh Candlelight Christmas. The Senior High Chorus toured Alabama, Georgia, and Tennessee, singing in schools and churches along the way. The accompanist, Richard Purvis, was named Outstanding Accompanist of the District, and thirteen boys were honored by being named to the Alabama All-State Chorus. The Troubadours, a select ensemble of sixteen, performed jointly with the Chorus.

Stage Crew keeps auditorium in order

(BELOW) 1967 Stage Crew.

The Stage Crew saw an increase in enrollment this year as more activities were held in the auditorium this year than in years past. The stage crew has charge of getting the stage ready for use by the school or by outsiders who are renting the auditorium. Moving platforms, chairs, microphones, curtains, adjusting proper lighting are all part of the stage crew's many jobs.

No films burnt by projection crew

The projection crew has been exceptionally busy this year with the addition of the classical film series to UMS. Their job of course is to set up, and show the films used in guidance, and in class instruction. This year however, the facilities had to be used on weekends and so to handle the extra use, the projectors were rebuilt, and because of this, one may have noticed that no films were burnt this year. The film series was a program here at school in which films were shown on Sunday afternoons and on some week nights.

Varsity cheerleaders help to arouse spirit

The UMS varsity cheerleaders, a highly spirited group of sophomores, juniors, and seniors, led cheers and inspired school spirit during each football, basketball, and baseball game. Miss Skeeter Williamson, a UMS faculty member, was the sponsor for the squad. Last summer, they attended the I.C.F. cheerleading clinic at Auburn University where they won three first place ribbons, two second place ribbons, and an honorable mention for their efforts. Although they have been impressively acknowledged at professional workshops, it has not been fully appreciated by the student body. In order to make a significant contribution to the school, the continued support of the students and the faculty as well is needed. We highly praise this dedicated group of girls and wish to thank them for their hard work.

'77 Cheerleaders: (CLOCKWISE FROM OPPOSITE PAGE — BOTTOM) Lauren Oliver, Group, Helen Davis, Allen Dukes, Carolyn Delchamps, Gail Danhof, Debbie Lum, Fran Williams, Tracy Taylor.

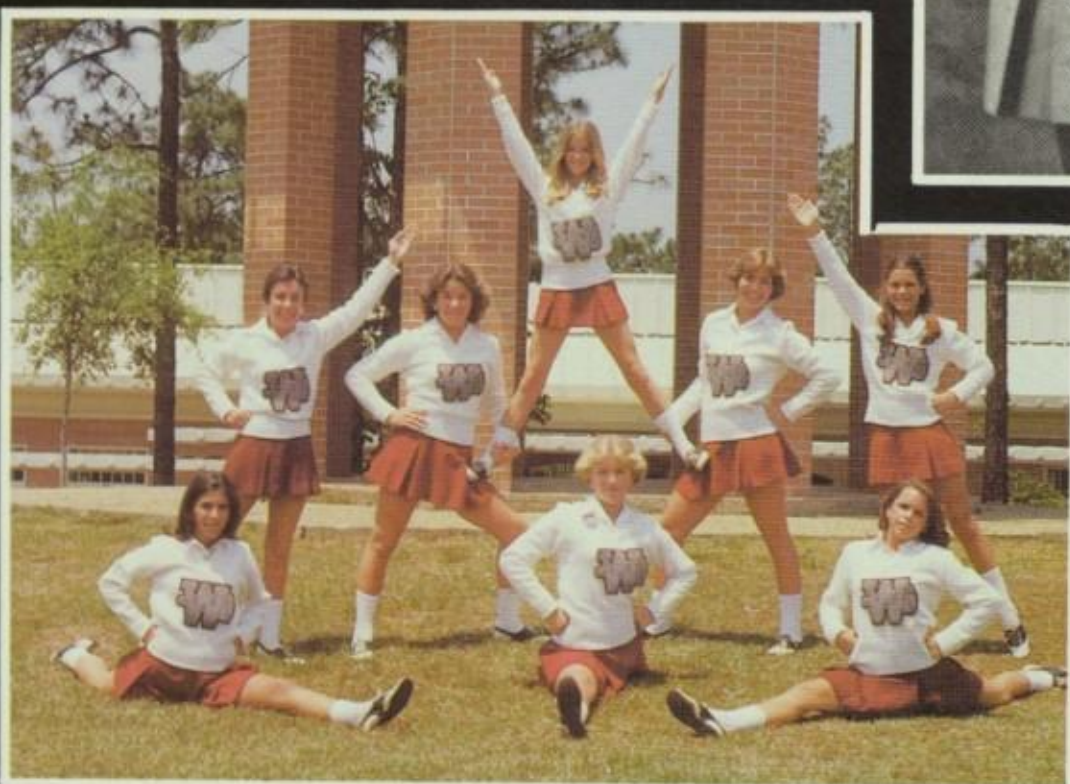

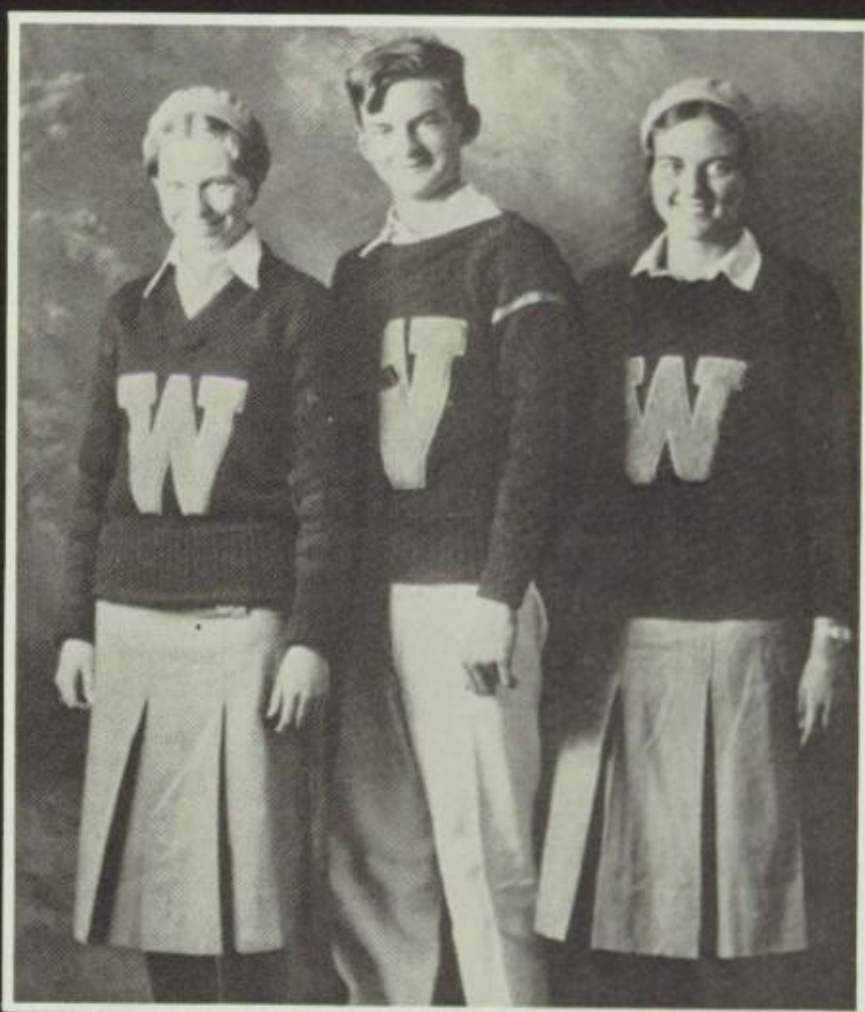

J.V. cheerleaders: best yet

The Junior High cheerleaders did an excellent job of raising spirit at all Junior High and JV athletic events under the supervision of Miss Andrews. The girls come from the 7th, 8th, and 9th grades of Julius T. Wright's and attend training along with the upper school cheerleaders. In fact, they also help raise spirit at the Varsity football games along with the varsity cheerleaders. All of our cheerleaders here at UMS deserve a lot of credit and thanks for the excellent job they have done.

The junior and senior library staffs are composed of students in grades 7-12 who are interested in library work and for an extra curricular activity. Some of the jobs in the library are checking out books to readers, labeling books, putting books back on the shelves, keeping order, and helping the younger students in the library.

The library staffs are under the supervision of Miss Williamson and Mrs. Taylor.

Pool crew big asset to school

The pool crew's activities range from cleaning the pool deck to keeping proper chemical balance to assure safe swimming. Recent improvements

have been made on the pool. This summer, parts of the deck were recemented and the entire pool was painted. The pool crew

members, who work on Tuesday and Thursday of every week, include a small number of dedicated students.

Chess Club in seventh year

The U.M.S. Chess Club was in its seventh year this year; three years under Captain Tom Richie. This year the Chess Team had seven new members and ten returning from last year. Although the Chess Team went 1-3 in competition with other schools in the Mobile area, it gave the members experience for future matches.

For the first time, this year the HOP Committee included juniors and sophomores. During football season, pep posters were made for every game which kept student body informed about our next opponent. The HOP Committee also helped the student council during homecoming by painting big banners and decorating the gym for the homecoming dance.

The climax of the year for the HOP Committee was the commencement hop, which turned out to be a great success. Twelve juniors served as sword bearers for the sixty six seniors who came out. As a whole, the HOP Committee participated eagerly in setting up and helping in making the last military Commencement HOP and school year the best.

ATHLETICS

The End of an Era at UMS will deal a fatal blow to the "Cadets" mascot. Although the Bulldogs and the familiar maroon and grey will remain a UMS tradition, athletics should continue to be top notch in all areas of sports action.

UMS slaughter Baker 27-7

UMS grabbed a 13-0 lead on runs of three and four yards for touchdowns by Mark Carmichael and Robby Howell's extra point. After the second score, Baker cut it to 13-7 in the third quarter. Shoulders took the kickoff after the hornet's touchdown and ran it back 85 yards and Robby Howell's PAT made it 20-7. Quarterback Robby Harrison scored the last touchdown on a 13 yard run.

UMS defeats Chatom, 9-0

Robby Harrison ran 12 yards for a touchdown late in the third quarter that gave UMS the 9-0 over Chatom. Harrison completed seven of eleven passes and gaining 29 more yards on the ground. Carmichael and Rouse also starred in the rushing game. Harrison booted the extra point. UMS led 2-0 at half time after scoring a safety in the second quarter when the chatom center snapped the ball over the punter's head.

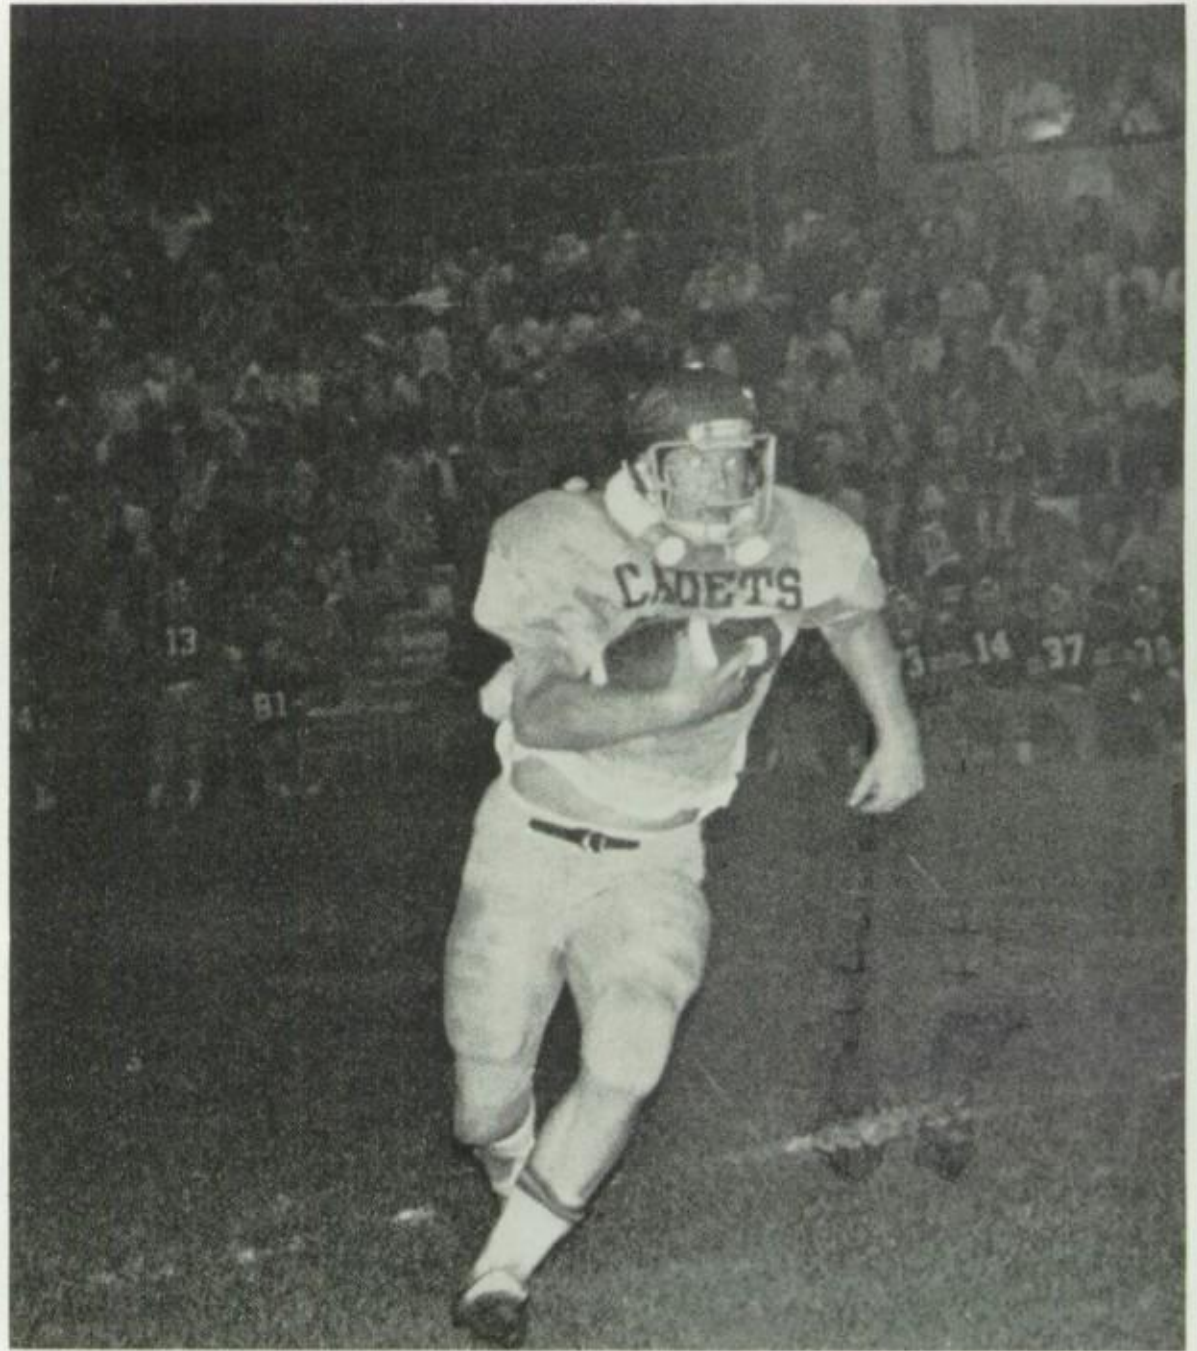

Harrison hands off to Carmichael for a gain.

Cadets lose to T.R. Miller, 15-12

A fourth quarter touchdown by the Miller Tigers put the team in front of the Cadets, 15-12. UMS scored early in the first period to tie Miller, and then scored again by Brooks Barlow to take the lead, 12-7. However, the tigers rolled up 182 yards on the ground and eight in the air, while UMS had 31 yards on the ground and forty-nine in the air.

Jackson Aggies crunch Cadets, 38-10

UMS's only scores came on a pass from Robbie Harrison to Richard Stimpson for 43 yards and a touchdown. UMS scored two points on the extra point conversion. Then, later in the game, UMS caught the Aggies in a tight spot and scored a safety on them bringing the Cadet's score to ten.

UMS Cadets smush a Jackson contender.

UMS defeats Citronelle 28-27 in overtime

Robbie Harrison completed 11 out of 15 passes in the UMS vs. Citronelle football for a total of 221 yards. He also added 35 yards rushing on 10 carries. Robbie scored the first TD on a one yard run. The extra point was kicked by Robbie Howell. Philip Hunt ran 15 yards for a third quarter TD for the team and Robbie Harrison passes to Jimmy Shoulders for the tying points in the third quarter. In overtime, Robbie passed to Bubba Baker for a TD, and once again Robbie Howell kicked the extra point to make the score 28-27.

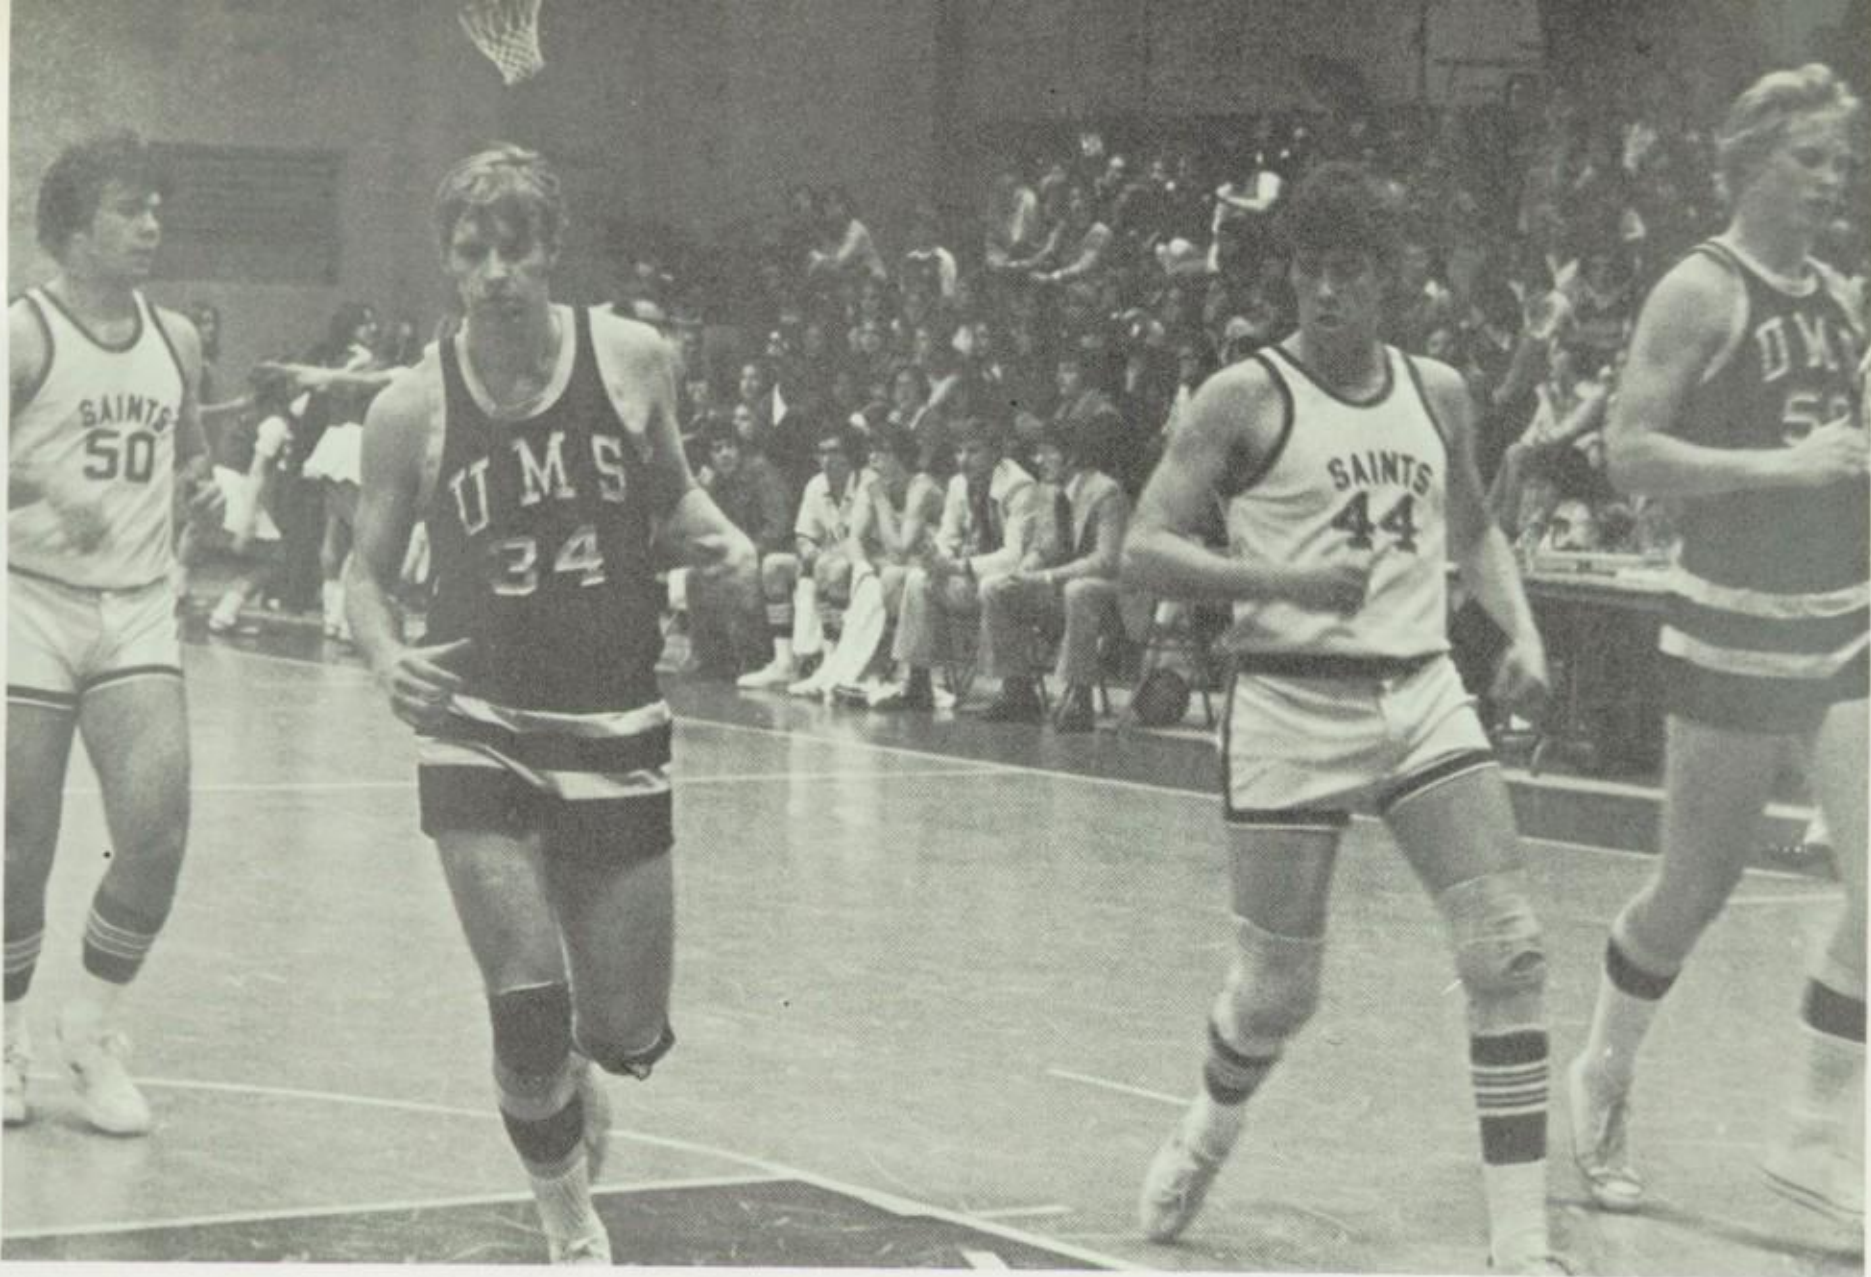

Coach Jones and his coaching staff look on with concern during the final moments of the game.

The 1977 UMS baseball team went 15-5 this year and clinched the Southwest Alabama baseball conference title. They finished second to Baker for the Area I Championship. Coach Kittrell stated, "I thought we had an outstanding year. Our major goal however was to be in the playoffs which we did not make. It was a heartbreaking loss to Baker which kept UMS out. We have earned respect as one of Mobile's powers in baseball at the 3A or 4A level. We were 8-3 against such powers in 4A as Shaw, B.C Rain, Davidson, and Murphy. UMS also won the strong Davidson invitational tournament. We are very optimistic on the upcoming 1978 season as we have six starters returning. In the past two seasons we have had three baseball players sign full baseball scholarships."

Golf Team wins Memorial Trophy again

The 1977 Golf Team kept up the reputation of past teams this year by having a winning season. The Cadets, coached by Eddie Holmes, came in first in the District Tournament with Robert Nelson and Joey Dzwonkowski capturing the medalist honors. They also came in third in the State competition. The Cadets, led by captain Rea Schuessler, were awarded the "Brother James Memorial Trophy", annually presented to the High School Conference Champion.

Members of the varsity team are: Rea Schuessler, Robert Nelson, Joey Dzwonkowski, Johnny Meacham, and Dick Hogan.

This year's junior varsity team went undefeated with a 10-0 record. Members of the J.V. team are: Ham McGuire, Glenn Goff, Tommy Towey, Robbie Dzwonkowski, and Scott Smith.

Golf Team Members: (FRONT ROW), Ham McGuire, Tom Towey, Scott Smith. (SECOND ROW), Joe Dzwonkowski, Robert Nelson, John Meacham, Robert Dzwonkowski. (THIRD ROW), Dick Hogan, Rae Schuessler, Glenn Goff.

"B" Soccer Team: (FRONT ROW, L-R), Lyons, G., Taylor, B., Bradley, R., Robinson, S., Lyons, M., Jones, C., Cadden, M., Swan, J., (BACK ROW), Reidy, M., Patterson, C., Hill, D., Johnson, A., Corrigan, R., McCurdy, J., Rouse, F., Engle, M., Capt. Harris — Coach.

The UMS A Soccer team had an outstanding year under the direction of Capt. Tom Ritchie. They posted a 6-1-1 record and were runners up for the city title. Their only loss was over the Mardi Gras holidays when they were defeated 1-0 by the Rowdies. This was due to the fact that some of our personnel were away on vacation.

Their second place finish allowed them to participate in the state tournament. They were defeated 1-0 by Indian Springs in the first game, but came back to beat Berry in the second game. The next day they were again defeated, but came away with a fifth place finish.

Some of the key players on the very talented team include: Jeff Milstead, senior fullback; Ricardo Valentine, sophomore forward; James Leachman, junior halfback; and John Estes, senior halfback. Valentine was the league's second leading scorer, although he played in only four games.

Cadet prayer

Dear Lord and Heavenly Father,
As we search for knowledge and wisdom,
Grant that we may not forget
That Thou art the Giver
Of all good and perfect gifts.

Teach us to play the game with honor,
In our work and in our play.

May our words and deeds be such
That those who were before us
Will not be ashamed,
And those who follow after
Will find in us
An example of truth and courage
The spirit of our school.

Give to us a noble spirit
That we with our teachers,
May go forward to achieve
The highest goals in life.

Bless our school,
And all who teach,
And all who learn.

And Thine be the honor
And glory forever
Amen.

UNDERCLASSMEN

Gone are the days of the very familiar gray and black uniforms and the cadets with the hats. But now there is a new uniform, a colorful one with gray, maroon, and stripes. Haircuts did not go and still be enforced to a clean cut style. With or without the uniforms, the students will not change. The spirit will still be there.

MILITARY

June 1, 1977 marked the end of an era for University Military School in that after that date, military would no longer be a program of the school. No more drill, rifles, or sabres. For 84 years the school was a military school, and those days will be long remembered.

Crack Platoon has fine last year

Crack Platoon Staff: (LEFT), Captain Jack Phillips, Guidon Gordon Kerr.

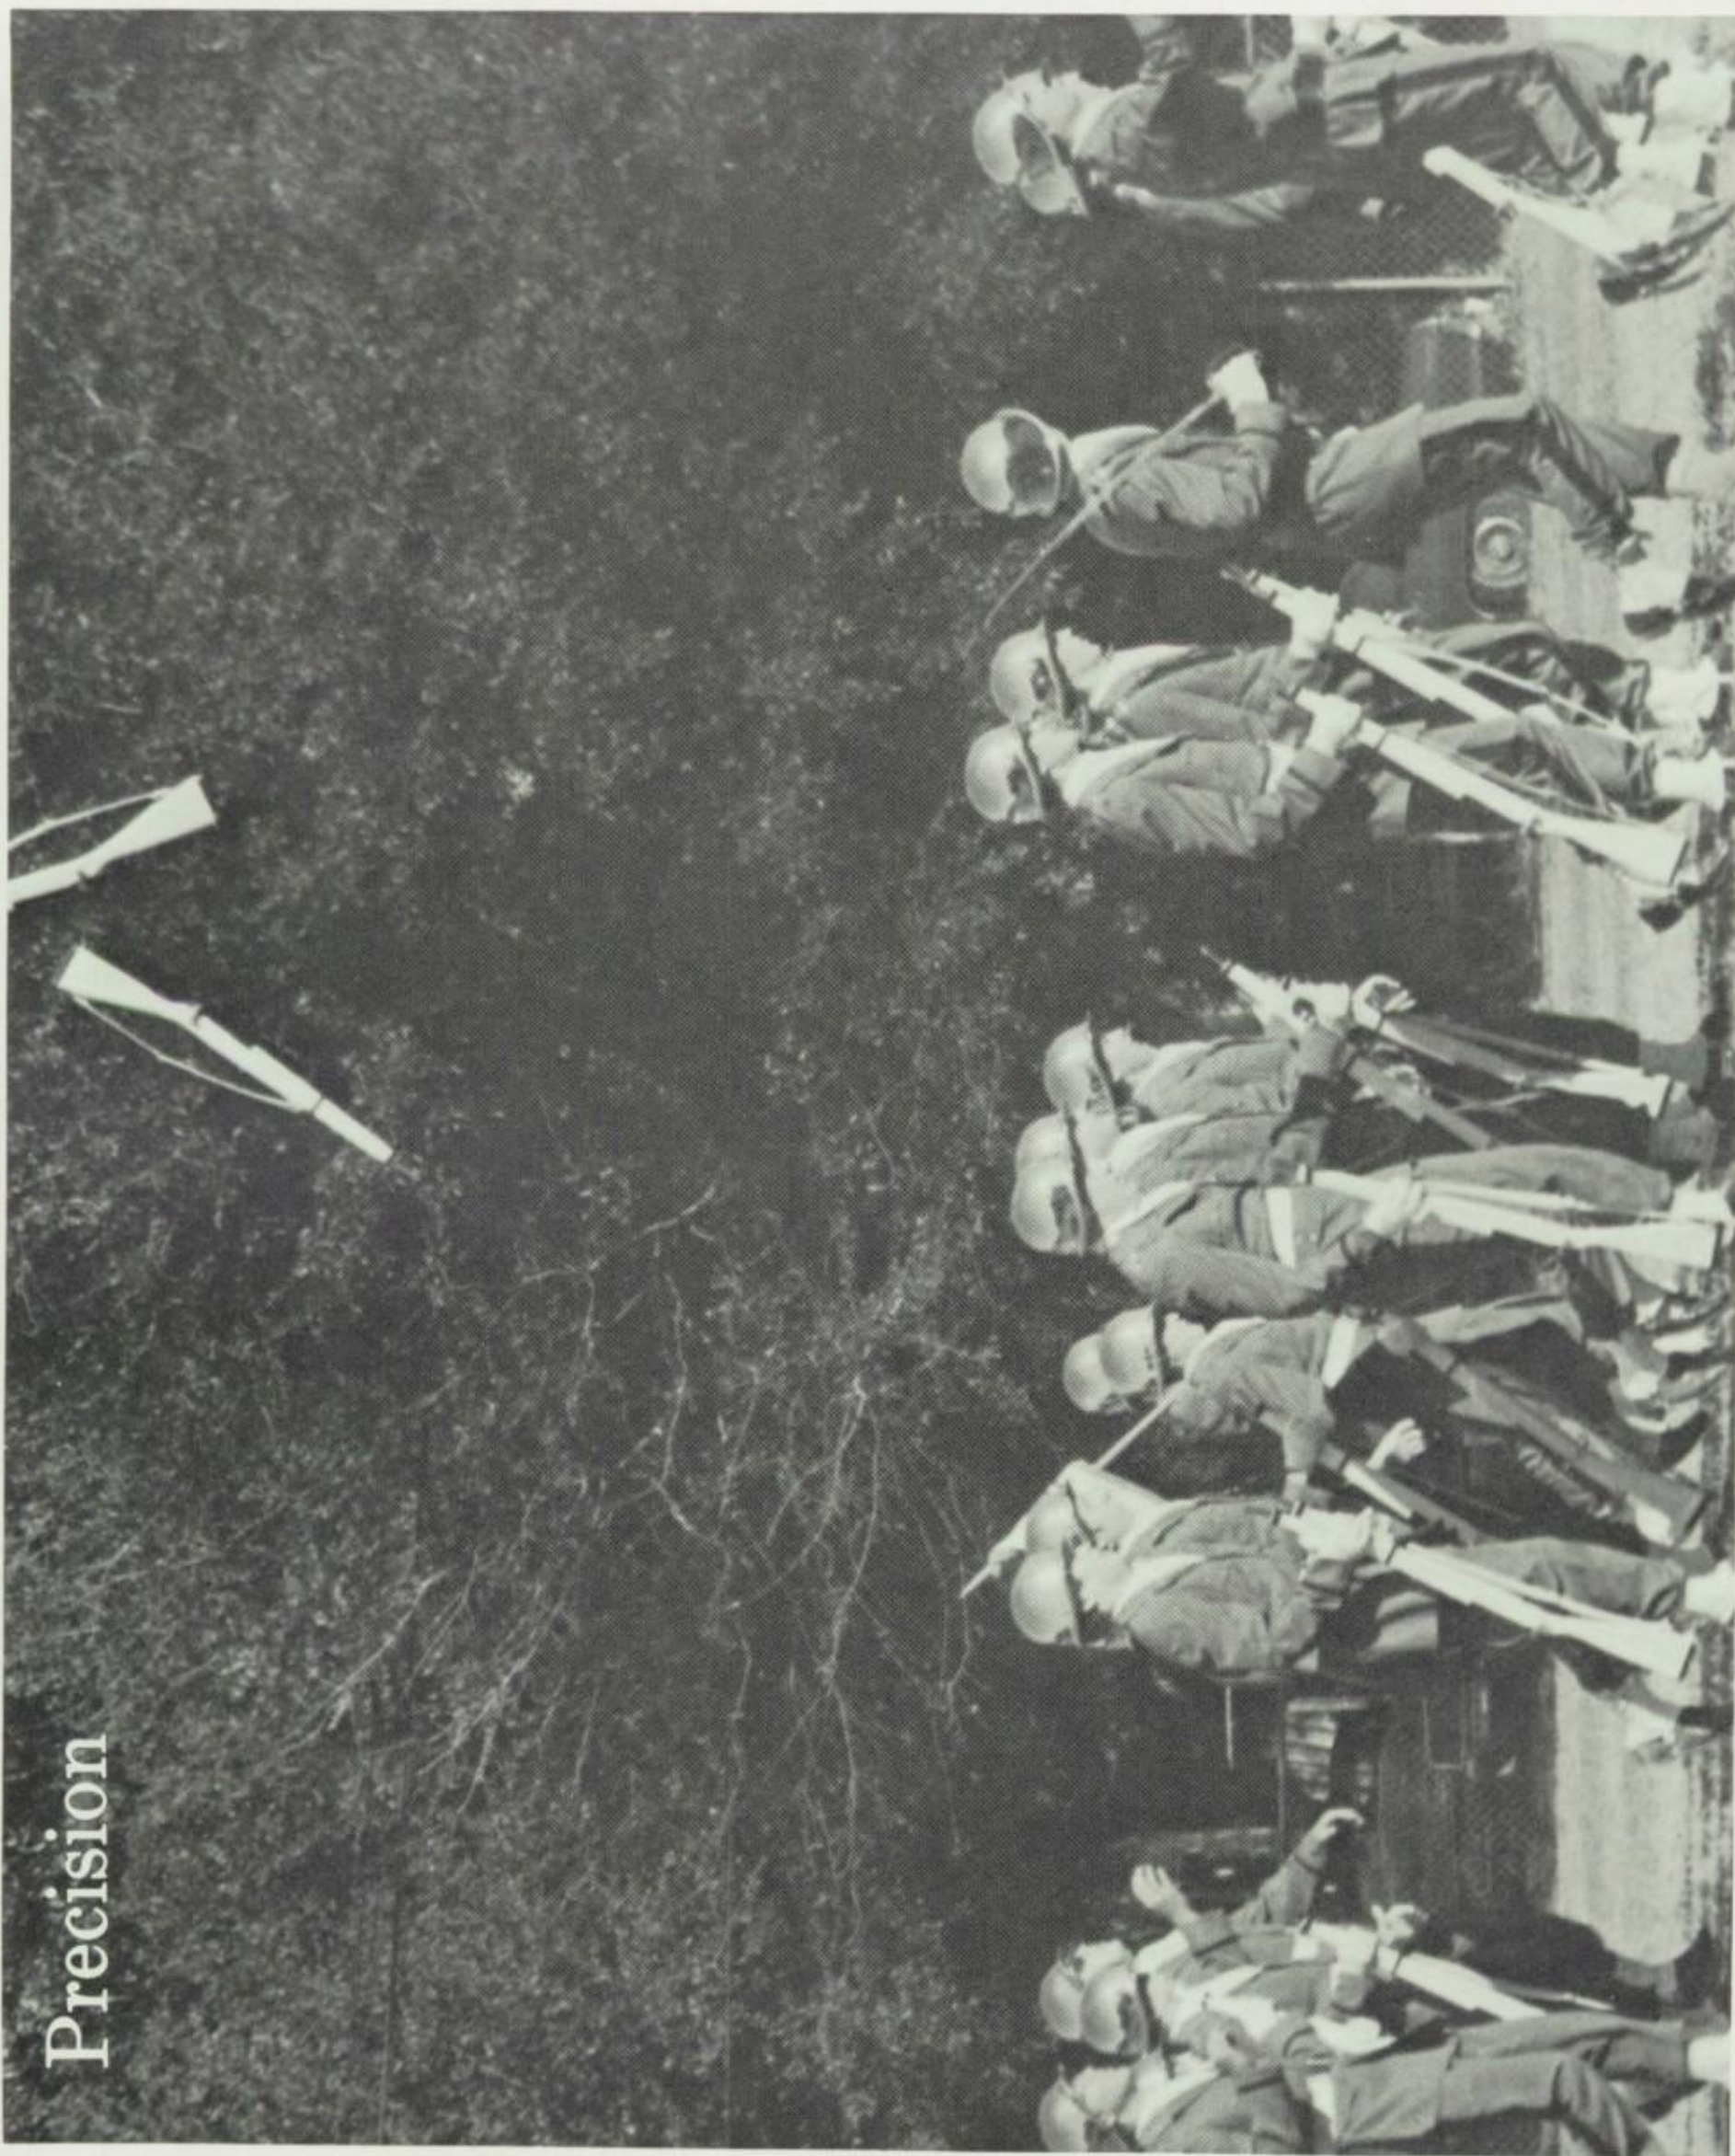

Seniors: (LEFT TO RIGHT), Moore, J.L., Ruzic, T.W., Phillips, J.D., Gross, W.D., Carpenter, D.B., Kerr, G.G.

The 1976-77 Drill Team was the last our school will ever see. The participation of a handful of seniors helped carry the team to a successful year, as they performed at all home games and put on a grand finale on Homecoming Day. On this occasion Tom Ruzic and Phillip Snodgrass executed a tricky rifle toss to Junior Rob Thomson and Freshman Glen Lubel. The Crack Platoon was commanded for the second year in a row by senior Jack Phillips, who along with the others in the outfit helped to instill a sense of pride and of "practice makes perfect" to make the last year its best.

University Military School

65 NORTH MOBILE STREET

MOBILE, ALABAMA

36607

To all students, parents, alumni, and friends:

For the past eighty-three years the University Military School has been a leader in secondary education for young men in the city of Mobile. This enviable position has been achieved by having a succession of capable and dedicated trustees, by having strong leadership in the administration, by having the support and loyal following of alumni and parents, by maintaining a highly qualified faculty, and by producing graduates who have achieved not only in colleges and universities but in life as well. Everyone who has ever been associated with our school can be justly proud of the past and our rich heritage.

Because challenges constantly confront the world in which we live, we who are responsible for making decisions affecting our school must judiciously examine and weigh changes which we believe will, in the long run, best preserve the philosophy and goals of our founder, Dr. Julius T. Wright. The primary goal of our school has always been to prepare young men in three areas: academic, physical, and moral. The academic aim has been to provide each student with a dynamic and complete educational program to prepare him for the most demanding university curriculum. The school has aimed to provide for strong, healthy bodies through interscholastic and intramural athletics. The school has sought to develop in students character, self-discipline, and concern for their fellow men.

It is because of an intense desire to maintain and promote these goals which have meant so much to us throughout the years that for some time now, the trustees have been discussing a part of our program which has been a source of some controversy, the military program.

After lengthy discussions, after endless weighing of the pros and cons, after discussing alternatives, compromise programs or gradual transition, after examining our present program and looking to the future, the trustees have decided that the long range goals and interests of the school can best be served by discontinuing the military program at the end of the present school year.

We would like for you to know some of the reasons for our decision.

A primary consideration was time. One headmaster, whose school made the change from military to non-military (and several such institutions were consulted) has said, "no matter what type of military program you have, you are going to gain valuable time for more important things by discontinuing it". We have a long day now at U.M.S., one of the longest in secondary education. But there is no time for an activity period for extra-curricular activities. Because there is not, our extra-curricular program suffers. The band and chorus must practice at inopportune times; there is no time for class meetings unless it is taken from part of a regular class period; school clubs that are active at other schools do not even exist at our school. We believe that the time now spent in drill could be better used promoting important and worthwhile extra-curricular activities.

Another factor we considered is the experiences of other schools in the South which have made the transition from military to non-military programs. These experiences have definitely been positive. Representatives of schools such as Baylor, Bolles, McCallie, and Woodward Academy have positively stated that, on discontinuance of military programs at those schools:

1. Student attitudes improve.
2. Interest in academic course work increases.
3. Band, art programs, speech and theater programs, yearbooks, newspapers, etc., all get better.
4. Leadership is redefined and emerges in boys who, under a military program, would choose not to get involved in school affairs.
5. Participation in athletics increases, with resulting improved won-loss records. We are already planning to expand our minor sports program to include swimming (an excellent coach has already been interviewed), probably wrestling, and our soccer program must be expanded to take care of increased demand.
6. Community interest increases as evidenced by increased applications, enrollments, and lower attrition rates.

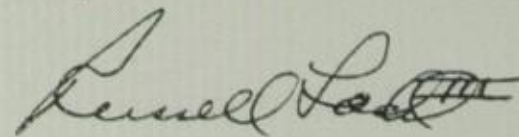

Another consideration was faculty recruitment. Although we have an excellent faculty now, there are many outstanding prospective teachers who have, for a variety of reasons, reservations about working at a military school. When vacancies occur in the future, we want to be able to recruit the very best people who are available in their fields.

Finally, we all realized that our existing military program leaves much to be desired. Saluting is not required, cadets do not stand to recite, there is little military bearing, and our total military effort goes toward preparing for only two parades a year. Also the majority of the boys do not take pride in the uniform or dress code, making the latter hard to enforce.

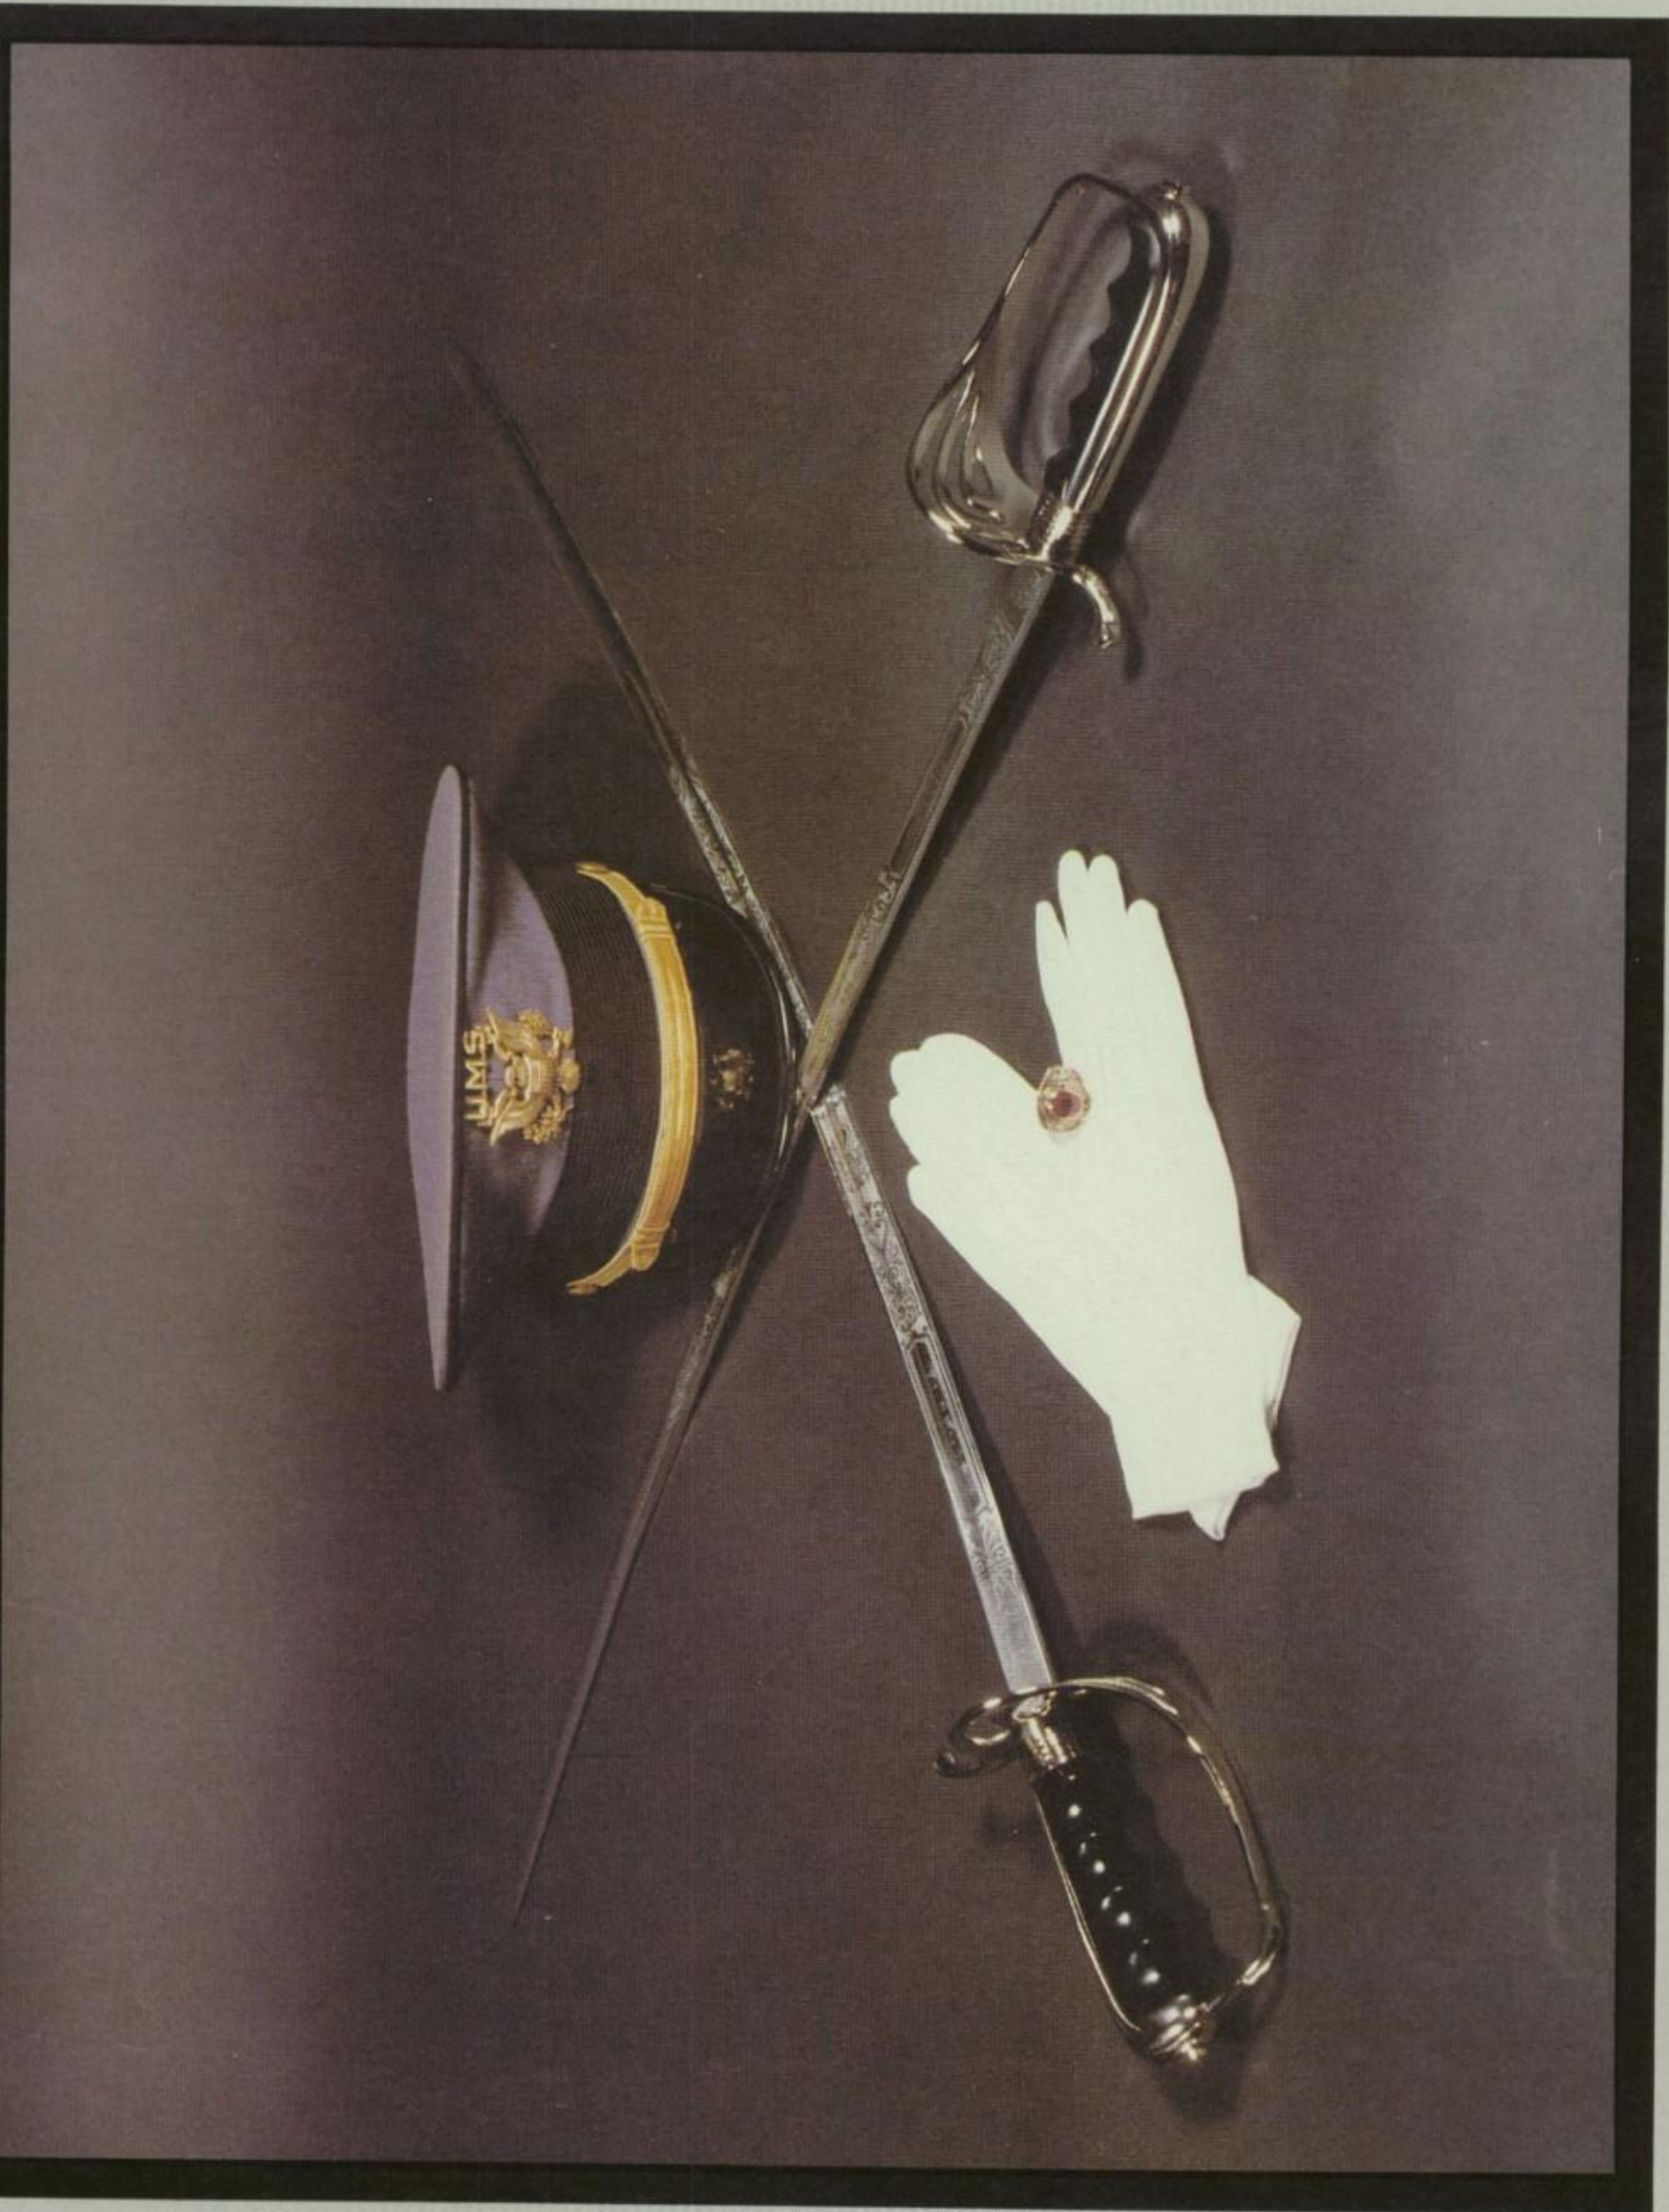

The major concern everyone has about discontinuing the military program is that it would do away with discipline. This is not the case. We can assure you that discipline will not only remain at our school, it will be strengthened. Everyone at school agrees that discipline can be maintained in the absence of a military program. Indeed, it may be improved. One of our most frequent criticisms now comes from parents who sons have been given demerits by other cadets. In the future demerits will be given only by the faculty and the administration.

There will be discipline. There will be a strong demerit program. There will continue to be a haircut regulation. And there will be a uniform which will be attractive and representative of the school.

In reaching this decision the trustees feel we are acting in the best interest of the school and the students. We are aware that it is difficult to break with many years of tradition but the Board has spent many months in deliberation before coming to the conclusion we have reached. It is our feeling that by eliminating the military we can strengthen and increase our commitment to a sound educational program, we can continue a strong if not stronger athletic program, and we can better provide enriching experiences which can lead to the desired development of our students.

ADVERTISING

The end of the military at UMS really won't have any effect on Advertising except for maybe the possibility that military supporters wouldn't advertise with the "Cadet" in the future. We hope this won't happen but that the new type of school will bring in more advertising for a bigger, better, "Cadet" next year.

A TREE IS IN YOUR FUTURE

We need trees every day of our lives. . . whether it is for shelter, paper products, medicines or any of the endless number of things that come from trees. Trees also help us breathe because they take in carbon dioxide and give off life-sustaining oxygen.

Because companies such as ours have comprehensive forest management programs, you'll never have to worry about running out of trees. We're even helping private landowners to better manage their timberlands so you will have the forest products you'll need in the years ahead.

Wood. Our renewable natural resource. Have you thanked a tree today?

Girls from Wright's, (LEFT TO RIGHT): Carolyn Delchamps, Dru Gammill, Ashley Jardine, and Kim Kersh.

For the first time in recent years, girls from Juluis T. Wright School for Girls were allowed to come over to U.M.S. for extra instruction in courses that are not offered at Wright. This year, Carolyn Delchamps, Dru Gammill, Ashley Jardine, and Kim Kersh attended Physics with the Seniors during the first and second period classes. The girls seemed to like coming over to U.M.S., and next year it is understood that there will be several more girls attending Physics at U.M.S.

IN APPRECIATION

We would like to thank the following individuals whose excellent contributions and assistance have the production of the 1977 "Cadet" possible:

Major William G. Treutel, our advisor, for his guidance understanding in times of need.

Jim Owen and Robin Rainer, our Josten's American Yearbook Co. representatives, who have spent countless hours here at UMS with help, and advice.

Jim Owen, Bruce Owen, Fred Huey, Joey Avirett, and especially, Debbie Keaton and Vatrice Schmidt all of Jim Owen Photographics for their outstanding work, assistance, and guidance.

Major Sam Russ and Mrs. Dorothy Elliot for their assistance in billing.

Major Roy Price, Coach Eddie Jones, Major Finley Patton, Major Treutel, Major Powell, Captain Harris (Andy), Miss Landrum, Colonel Hinson, Colonel Wood, and Colonel Hanks for excusing my staff and I when necessary (and sometimes too much) to do very important "yearbook work"

Ellen Rooney, Cindy McLeod, Jeanie Fassbender, Geri Cox, and Debbie Allen for their assistance in the Professional Finishing Department of Van's with our color work.

Bob Jones, Jewel Moore, Julie Girod, Jerry Wiggins, Margaret Carlson, and Sandra Bagley for their cooperation and assistance at Van's.

Mr. James Nall and Vicky from M & A Studios for their coverage of the Commencement Hop and for the excellent color prints of the callouts.

Mr. Alvin Seale and Miss Nancy Mobley from Merchants National Bank for their assistance in our accounts.

Major Filippini, Mr. Glenn, and Mr. Ellison for letting us in after school and on weekends.

Our advertisers for their financial assistance.

I would like to thank Mr. Patterson of Heiter-Starke printing for all the work he has done for "The Cadet".

I would also like to thank Major Treutel, Jim Owen, and Robin Rainer for their wonderful help and guidance.

My personal thanks to Jimmy Paulk, my Business Manager, for doing a fantastic job with the billing, handling of funds, and general order in the office.

Again, I would like to thank the section editors and congratulate them for a job well done. I don't believe it can be matched.

In closing, I would like to say that I have enjoyed working on "The Cadet" and with everyone else who was associated with the yearbook staff. A book of this size is a lot of work as anyone on the staff will tell you. But it is all worth it. Yearbook staffs need help all the time, so why not next year, you join the yearbook staff and do your part. They need you. I wish Mrs. Graham, the new advisor, and Jimmy Patterson, editor, the best of luck, because, I have surely had some. Finally, I would like to thank the photography staff for putting up with me.

Jack Phillips, Editor-in-Chief, 1976-1977 "The Cadet"
